Policy: Tuition Exemption Authority

Policy online at <http://www.washington.edu/students/reg/tuitionexempt.html>

Authority is granted for The University of Washington Tuition Exemption Program under RCW 28B.15.558. This policy provides UW employees, other state employees and members of the Washington State National Guard the opportunity to have tuition waived for up to 6 credits per quarter on a "space available" basis. The policy further recognizes that certain courses may not be available under the Tuition Exemption Program such as UW Extension or distance learning courses, independent study, internships or any self-sustaining courses. In addition, the policy states that "...*academic or fiscal considerations may exclude certain state-funded courses or programs from the Tuition Exemption program.*"

Registration Procedures and Forms

In order to register using tuition exemption, students should follow the steps identified in UWB registration guidelines. Questions regarding the procedure are to be directed to the UW Bothell Registrar.
