

**Letter of Recommendation
Interdisciplinary Arts & Sciences Program
University of Washington, Bothell**

_____ has applied to participate in the Interdisciplinary Arts & Sciences (IAS) Internship Program. Students will work up to 15 hours per week in area organizations and businesses that complement their area of study. In addition to the on-site work, students are required to complete weekly assignments and readings and to complete a final poster presentation. Students may earn up to five credits. The course is offered on a credit/no credit basis.

We wish to know if the above student is capable of performing well academically, can handle the responsibility of an internship, and can operate somewhat independently of a traditional course structure. Your candid opinion will be greatly appreciated and treated with the utmost confidentiality. Thank you. (250 words or less)
