	Sr '06	60.1	55.7	52.9	56.6	

\* Positively Significant at least  $p < .05$   
 \* Negatively Significant at least  $p < .05$

LAC: Level of Academic Achievement  
 ACL: Active and Collaborative Learning  
 SFI: Student Faculty Interactions  
 EEE: Enriching Educational Experiences  
 SCE: Supportive Campus Environment

**What we learn**

- As was true last year, UWB Senior scores are above average on Level of Academic, Achievement, Active and Collaborative Learning, and Supportive Campus Environment
- As was true last year, UWB scored below average on Student Faculty Interaction
- This year UWB Seniors on Enriching Educational Experiences was above average
- Freshman ratings are above
- Freshman give lower scores than Seniors, but this is true for all schools
- Benchmark scores for Selected peers are a littler higher than last year, but year-to-year comparisons are similar. Carnegie peers (Research) are extremely stable.

**Recommendation:**

Comparison for Student Faculty Interaction and Enriching Educational Experiences would be more appropriate if we compared ourselves to non-residential colleges.
