ESSAY

Please provide 500 to 750 word essay on RCW 19.122:

- How do you interpret RCW 19.122(WA State "Dig Law")?
- Why are this law and its contents important?
- Do you have a position with regard to this law? If so please state and defend your position.
- If you do not have a position on this law would you have any recommendations with regard to the law (either improving the law or process intended by the law)?

You can find the law by performing a web search of RCW 19.122. There are 2 versions of the law, current and a revised that takes effect on January, 1, 2013. Please review the newest version. Submissions will be reviewed with a winner selected before December 31st, 2012. Selected candidate will be provided lunch at our regular meeting, held on the 4th Tuesday of the month in 2013.

You may also include questions of us to answer on a separate sheet.
