Amy is on vacation.

Security and Campus Safety - Ken
Ken mentioned we do not know yet of issues to come once the South Campus
Access opens. Ken noted the U-Wide meeting on Wednesday 8/12 will show a
video on face protection in chemical labs that UWB may need to look at – Ken
will report back.

Facilities- Barney
Barney reported additional clearing of sightlines at the North Parking Garage
north crosswalk - ongoing clearing. It was suggested to look at the sightline at the
South Parking Garage. Discussion.

H and S Bulletin Board- Kai
Kai had nothing to report.

Open/Old Business:
Accident/Incident Reports
Ken noted there were either no Accident/Incident Reports or none were given to
him.

Campus Way, signage/Campus Way and 180th, Crosswalk issues -
Ken would call work done on the crosswalks as improvements. The vendor was
out to fix some issues and is expected back to do same. In response to concerns
voiced by Cascadia CC, Marilyn contracted with an independent traffic engineer,
who asked UWB to come up with points to be addressed. Ken summarized the points for the committee, also gave background of concerns with responses. It was noted the contractor was tasked with fixing issues – they were on point; discussion. Doubted any bigger picture issues would be addressed. There was no timeline on getting the report back. It was noted this is about two crosswalks. Discussion. What is the overall plan for campus traffic control? We don’t know. Continued discussion. Question if there is a plan for transit after the South Campus Access opens – we must take a wait and see attitude. Discussion. Continued discussion about what signs – if any – to put up when the crosswalks are not in working order or being worked on. Suggestions and discussion, including a reminder about personal responsibility. Ken reminded us we are an advisory committee – we’ve done our job, that’s what we’re tasked with. Discussion.

New Business:
Mike reported the “Do Not Enter” sign at the Chase House loop exit was missing.

EH and S Safety Manager Report:
Dave Leonard was absent.
