AS A PRE-MAJOR STUDENT, CONSIDER THESE OPPORTUNITIES:

**General Scholarships**

**UWB General Scholarship**  
Multiple scholarships ranging from $750-$3,500 are awarded to UWB students across all disciplines based on financial need and merit. International students are welcome to apply. **Deadlines:** November, April

**Mary Gates Leadership and Research Scholarships**  
Multiple $4,000 scholarships, paid over two quarters, are given to full-time UW undergraduate students pursuing a leadership and/or research project. International students are welcome to apply. **Deadlines:** October, January

**Sterling and Gene Munro Public Service Fellowship**  
Fellowship awards range from $2000 to $4000 to encourage students to life-long commitment to public service by giving them the opportunity to step foot into the community. Students will be selected in December of the year of application and will be awarded Winter and Spring quarter. Students must have a minimum of 3.0 GPA and commit to a weekly meeting during the two quarters. **Deadline:** November

**Morris K. and Stewart L. Udall Foundation Undergraduate Scholarship**  
Eighty scholarships of up to $5,000 and 50 honorable mentions of $350 to students committed to careers related to the environment, tribal public policy, or Native American health care. Applicants must be US citizens or permanent residents with at least a B average. **UW Internal Deadline:** November

**Barry M. Goldwater Scholarship**  
Up to 300 scholarships of $7,500 are awarded annually to encourage top students to pursue careers in mathematics, the natural sciences, or engineering. Applicants must be US citizens or permanent residents with research experience and a strong GPA. **UW Internal Deadline:** November

**Science, Mathematics and Research for Transformation (SMART) Program**  
Sponsored by the Department of Defense, this program provides full scholarships to students in STEM fields and offers summer internships and mentoring, in exchange for employment with the government after graduation. Applicants must be US citizens. **Deadline:** December

**Hispanic Scholarship Fund**  
Multiple scholarships to help Hispanic-Americans complete their education. Applicants must be of Hispanic heritage, U.S. citizens, permanent resident or be granted DACA, have a minimum GPA of 3.0 and be enrolled full-time for the 2013-2014 academic year. **Deadlines:** December-February

**The Washington State Opportunity Scholarship**  
Three thousand $1,000 scholarships funded by Boeing, Microsoft and Washington State Legislature to help students earn their first bachelor’s degrees in science, technology, engineering, mathematics (STEM) and health care. Applicants must be low- and middle-income Washington State residents enrolled full-time with a minimum GPA of 2.75. **Deadline:** February

**Leadership 1000 Scholarship**  
Awarded based on merit and financial need, Leadership 1000 Scholarships support WA residents in completing a four-year degree. Applicants must be low- and middle-income Washington State residents enrolled full-time for the academic year with a minimum GPA of 2.75. Scholarships vary from $2,500 for one year to $5,000 for four years. **Deadline:** March

**The Class of 1957 Scholar Award**  
Three $1,500 awards sponsored by the UW Alumni Class of 1957. Applicants must be sophomores, juniors or non-graduating seniors as of autumn quarter, have a 3.3 minimum GPA and financial need as indicated by the Financial Aid Office, and be able to demonstrate academic merit through involvement in activities relevant to their academic, career and/or professional goals. **Deadline:** April

**Study Abroad Funding Opportunities**

**Benjamin A. Gilman International Scholarship**  
Funded by US Congress, the Gilman program aims to bring diversity to study abroad. Non-traditional destinations are preferred and programs must be at least 4 weeks. Applicants must be US citizens who are receiving a Federal Pell Grant. **Deadlines:** October, March

---

**MERIT SCHOLARSHIPS, FELLOWSHIPS AND AWARDS**

Email: uwbms@uw.edu | Location: Student Success Center UW1-160 | Appointments: http://wco.uwb.edu/secure/  
For more information: http://www.uwb.edu/studentservices/merit-scholarships
GO! Scholarship
The GO! Scholarship is funded by the WA Legislature to support students with financial need. Applicants must be WA state residents eligible for Husky Promise or a Federal Pell Grant.

Deadlines: October, April

Fritz Undergraduate Scholarship
Multiple awards are funded each year by the Chester Fritz Endowment. Applicants must full-time UW students, majoring in the Humanities or Social Sciences, and have a minimum GPA of 3.0.

Deadlines: October, April

Boren Undergraduate Scholarships
Funded by the National Security Education Program, Boren Scholarships allow undergraduates to study less commonly taught languages and cultures in regions critical to US national security interests. The scholarship offers up to $20,000 for year-long programs. Applicants must be US citizens. Recipients commit to work for the federal government for one year post-graduation.

Deadline: Early January

The German Academic Exchange Service (DAAD) Scholarships and Internships
The German Academic Exchange Service (DAAD) offers a variety of opportunities for Americans to study, conduct research, or work in Germany, including study abroad scholarships, summer study programs, and research internships in science and engineering. Proficiency in German may be required.

Deadline: End of January

Fulbright Summer Institutes in the UK
The US-UK Fulbright Commission offers fully funded, 4-6 week study abroad programs at prestigious British institutions to promote Americans’ understanding of the UK. Freshmen and sophomores who are US citizens, have a 3.5+ GPA, and have limited international experience are encouraged to apply.

Deadline: March

Funded Research Opportunities

Amgen Scholars Program in Biomedical Sciences
Fully funded, 9-week summer research immersion internship, hosted at UW, for students interested in gaining biotechnology research experience and exploring the biosciences as a career. Applicants must be US citizens or permanent residents with a GPA of at least 3.2 and interest in pursuing a Ph.D. or M.D./Ph.D.

Deadline: February

Research Experience for Undergraduates
The National Science Foundation (NSF) funds research sites all over the country and abroad to promote undergraduate engagement in research. Applicants must be US citizens or permanent residents, have a strong GPA and interest in graduate studies. Students are granted stipends and, in many cases, assistance with housing and travel.

Deadlines: February – April

UW Summer Institute in the Arts & Humanities
A unique opportunity for selected undergraduates to earn full-time, academic credit through immersion in scholarly research with accomplished scholars and peers. Focused on a different topic each summer, the program brings together four faculty and twenty students in plenary, seminar and tutorial-style sessions mid-June through mid-August. Recipients receive $4,000.

Deadline: March

Other Enrichment Programs

Charles B. Rangel Summer Enrichment Program in Washington, DC
The Rangel Summer Program for students interested in international affairs provides academic credit, networking with government agency professionals, and invaluable professional experience. The award covers tuition, room, board, and travel. Applicants must be US citizens, full-time undergraduate freshman, sophomore, or junior students with a GPA of at least 3.2.

Deadline: February

Ronald E. McNair Program
A mentoring and professional development program to assist underrepresented students in preparing for doctoral study through involvement in research and scholarly activities. Applicants must be US citizens or permanent residents, low-income, first-generation, African American, Latino/Hispanic, Asian, Pacific Islander, or Native American, UW students with at least one year of undergraduate study remaining, with a strong interest in pursuing a PhD.

Deadline: May

The University of Washington is committed to providing access, equal opportunity and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities. To request disability accommodations contact Disability Resources for Students at 425.352.5307, TDD 425.352.5303, FAX 425.352.3581, uwb-drs@uw.edu. It would be best if requests are made 10 days prior to the event. If needed this form can be emailed or customized with a different font upon request.
