Services and Activities Fees (SAF) Committee
Reference Guide

Services and Activities Fees (SAF) are charged to all registered students for the express purpose of funding student services and programs. The level and distribution of the fee is recommended by the SAF Committee, approved by the chancellor, and authorized by the Board of Regents for each academic year.

1. Defining the purpose of the Committee

Bylaw Section 2. A.

“The intent of this Committee is to be comprised of at least seven (7) and no more than nine (9) voting members who are currently matriculated students at UW Bothell and not elected or appointed officers of the ASUWB Senate, Student Technology Fee Committee, or serving in an officer or staff position for any student news media. The voting membership of the Committee should strive for a committee that is strongly representative of the student body, considering academic programs, class level, gender, cultural backgrounds, and other characteristics of the student body.

Bylaw Section 1. B

“It is the intent of the legislature that the governing boards ensure that students have a strong voice in recommending budgets for Services and Activities Fees” (RCW 28B.15.045), and that Services and Activities Fees expenditures for programs devoted to political or economic philosophies shall result in the presentation of a spectrum of ideas (RCW 28.15.044).

2. Introduction of the funding process, timeline, meetings, and online materials

Bylaw Section 4. A-B

A. 2. Any member of the University of Washington Bothell campus community may submit a request for annual funding.

3. The intent of the annual operating budget is to support on-going student activities, services, and programs. It is the intent that the funds deemed “long-term” shall be used to purchase capital (non-recurring) equipment and furnishings, lease and/or bond obligations, and other related expenditures

B. 1. A contingency fund shall be established by the Committee as part of its annual budget and should represent approximately 5% of the projected fee revenue. The purpose of this money is to fund proposals throughout the following fiscal year. The Chancellor or his or her designate shall review and approve all such recommendations from the Committee.

2. The intent of the contingency award is to fund student-initiated activities, events,
projects, and services that were not proposed during the annual budgeting cycle. Contingency requests should represent new ideas for building and sustaining community on campus. As such, these requests are to be generated by student groups, committees, and boards. Other entities of the campus community are invited to submit requests during the annual budgeting cycle.
