**Literary and Arts Journal**
The Committee feels that the number of journals given away to each department and student and the number left over towards the end of the year be tracked so there is an accurate number of how many journals are used. The number of cd's produced and given away should also be tracked. Overall, the Committee would like
to see tracking of all production and distribution of *Clamor*. The Committee feels 800 copies is sufficient so $500 from printing and photocopying be cut. The Committee feels that $2000 for cd’s is also extensive since it is your first year of having *Clamor* on CDs so funding will be cut in half to $1000. Lastly, a cut of $200 from webhosting will be made since research show $300 is an adequate amount. The Committee suggests that *Clamor* work with Departments for additional funding.
