Childcare Assistance Program
Financial Aid Office
2009-2010 Academic Year

APPLICATION PRIORITY DATE: August 31, 2009

Purpose
Childcare needs for a student-parent can often times be a barrier in the ability to attend or continue educational goals. The UWB Services and Activities Fee Committee annually considers assistance toward student-parent childcare costs through the Childcare Assistance Program (CCAP).

The Childcare Assistance Program is designed to offset childcare costs associated with the student-parent’s ability to attend UWB courses and/or complete class coursework. The CCAP was not designed to assist with a student-parent’s work or other schedules. Unfortunately, CCAP can not cover private tuition costs, meals, registration fees, transportation fees, or other special fees. Although, charges associated with full-day public kindergarten may be considered. Kindergarten charges associated with private schools are not typically covered. Every attempt should be made by the student to minimize costs associated with childcare while in school.

If you have unusual or special childcare needs, please provide a written appeal statement that outlines what accommodations you are requesting, and justification for the request (i.e., a child that attends a special or private school due to the child’s documented special needs). Submit the appeal letter with your completed CCAP Application Form and accompanying documentation.

Qualifications
In order to qualify for this assistance, a student must:

- Submit a completed CCAP Application Form with all necessary documentation by the priority date of **August 31, 2009**

- Be in good academic standing at the UWB during the award term

Funding
Applications received by the application priority date* will be ranked in order of need as determined by the Financial Aid Office. Funds will be allocated for a maximum of one child per student. Funding levels are based on age range. The chart below outlines the funding class for each age range.

• Infant and Preschool (Birth - start of 1st grade)
  ⇒ 40%, not to exceed an award of $1,250/qtr.

• After school care (1st grade - 12 years)
  ⇒ 20%, not to exceed an award of $500/qtr.

Families incurring childcare costs not paid by an outside resource while the student-parent attends school may have the costs considered in the student-parent’s financial aid award. Please contact our office for forms and details.

*Awards may be made to student-parents who submit an application form after the CCAP priority deadline on a funds available basis.

Back-up Documentation
Every verification form must have some kind of official documentation attached to it as evidence for our auditors that the costs reported on the forms are correct. The documentation should show the total actual charges (not just payments) for each month, as well as any fee reductions or support received from other agencies. Below is a list of acceptable forms of documentation:

*Please note that we cannot accept handwritten receipts.

• Copy of the Daycare Accounting Record, Ledger Card, Invoice, or Statement
• Copy of the canceled checks (front and back), monthly order, or cashier’s check (clearly copied), showing that you have paid the CORRECT portion of the total costs for each month
