<sup>2</sup> Student-led committees are responsible for recommending fee changes to the Board of Regents for all fees under this header, except the NSEOF. For the NSEOF, student representatives provide support recommendations, which each campus's administration weighs when developing final proposals for Regental approval. Please note, many students pay fees beyond those presented here, such as course fees (the cost of which varies by discipline), fees for student insurance, and fees for WashPIRG and WSA.

<sup>3</sup> At Seattle, the Student Tech Fee is also charged in summer quarter (\$38). The annual rate shown in this table only reflects fall, winter and spring charges of \$38 per quarter.
