General Scholarships

**UWB General Scholarship**

Multiple scholarships ranging from $750-$3,500 are awarded to UWB students across all disciplines based on financial need and merit. International students are welcome to apply.

**Deadlines:** November, April

**Paul and Daisy Soros Fellowships for New Americans**

Thirty awards annually of $20,000 + tuition for New Americans to achieve leadership in their chosen field. Applicants must be green card holders, naturalized citizens, or children of naturalized citizens, 31 years old or younger, and pursuing graduate studies.

**Deadline:** November

**American Association of University Women (AAUW) Fellowships**

AAUW offers several fellowships for women – US citizens and students of other nationalities – to pursue graduate studies in all disciplines. Some preference is given to women of color.

**Deadlines:** November – January

**NSF Graduate Research Fellowship Program**

The National Science Foundation funds three years of financial support over a five-year period, including a $30,000 annual stipend and a $12,000 annual cost-of-education allowance, for graduate students in science, technology, engineering and mathematics (STEM) fields, as well as psychology and the social sciences. Students must be US citizens, nationals or permanent residents, enrolled in a research-focused Master’s or Ph.D. program that is supported by the NFS by Fall 2013 and have completed no more than twelve months of full-time graduate study (or the equivalent) as of August 1, 2012.

Program-Specific Scholarships

**Business Administration (MBA)**

**Washington Society of Certified Public Accountants Scholarships**

Twenty scholarships of $2,000 each awarded annually by The Washington CPA Foundation awards to students planning to practice as CPAs in Washington State. Applicants must have a 3.0+ GPA overall and in accounting courses, and show on-campus and off-campus community involvement.

**Deadline:** February

**Computing & Software Systems (MS)**

**Anita Borg Technical Leadership Award**

$10,000 cash award for woman who has inspired the women's technology community through outstanding technological and social contributions.

**Deadline:** April

**Association for Women in Computing Scholarship**

AWC awards two $1,000 scholarships annually. Applicants must be females, enrolled full-time in computing degree programs, with a GPA of 3.0 or higher.

**Deadline:** May

**Hertz Fellowships**

Generous, no-strings-attached fellowships allowing exceptional applied scientists and engineers the freedom to pursue their own ideas with financial independence under the guidance of the finest professors at the country’s top universities. Hertz Fellows are chosen for their intellect, ingenuity, and potential to bring meaningful and lasting change to our society.

**Deadline:** October

**Cultural Studies (MA) / Policy Studies (MA)**

**Coro Fellows Program in Public Affairs**

Full-time, nine month, graduate-level experiential leadership training program, including an academic component, that prepares diverse, talented and committed individuals for effective and ethical leadership in the public affairs arena. Offered in Los Angeles, New York, Pittsburgh, San Francisco and St. Louis. Placements begin in September. Around 70 fellows are selected each year.

**Deadline:** January

**Multidisciplinary International Research Training (MIRT)**

National program designed to encourage underrepresented students to pursue careers in biomedical and behavioral research by supporting health-related population-based research and training in developing countries. Recipients spend 8-12 weeks (beginning mid-June) at a foreign research site. Applicants must be US citizens or permanent residents, enrolled in a full-time degree program, research oriented, have proven academic scholarship, and demonstrate a commitment to community.

**Deadline:** February

**UW Internal Deadline:** February

Contact us to explore these opportunities further or work on an application. For a more complete listing of opportunities for graduate students, visit the UW Graduate School website, [http://www.grad.washington.edu/students/fa/](http://www.grad.washington.edu/students/fa/).
Education (MEd)

**Knowles Science Teaching Fellowship**  
Professional development and support program for those with undergraduate degrees in a physical science, engineering or mathematics and who are pursuing credentials or are beginning teachers in high school physics, physical science and/or chemistry or mathematics.  
Deadline: January

Nursing (MN)

**Medical Professionals of Tomorrow Scholarship**  
One $5000 award sponsored by US Medical Supplies. Applicants must be full-time students, legal residents of the United States, in an educational program related to the medical field. Must like MPT on Facebook.  
Deadline: December

**National Health Service Corps Scholarship**  
Scholarships to students pursuing primary health care professions training in NHSC-eligible disciplines in return for a commitment to provide health care to communities in need, upon graduation and the completion of training.  
Deadline: May

Travel or Study Abroad

**UW Bothell Study Abroad Scholarship**  
Funding - $500 to $2,000 - for travel expenses required to participate in a study abroad program. Applicants must be currently enrolled UW Bothell students, residents of Washington State, have a minimum 3.0 GPA, and commit to promoting study abroad opportunities among UW Bothell students upon their return as a Study Abroad Ambassador.  
Deadline: August

**Fulbright US Student Program**
