

UW Bothell Application Business Administration

Personal Statement Prompt

Write a brief personal statement describing the following as applicable:

- Your motivation to pursue upper-division studies in business, including how your interest in business and/or your intended concentration evolved.
- Any relevant experience (employment, volunteer work, military service, extracurricular activities, etc.), and your ability to contribute to the educational experiences of other students at UW Bothell.
- Your reflection on how your education to date has prepared you for business studies, including any significant learning experiences.
- Other factors that you wish to bring to the Admissions Committee.
