

How to Add a Vehicle to Your Permit

- Step 1:** Next to the text saying VEHICLES, click the +ADD button

1 | VEHICLES + ADD

| Plate | State | Type | Make | Color | Style | Permit |
|-------|-------|------|------|-------|-------|--------|
|-------|-------|------|------|-------|-------|--------|

- Step 2:** Leave **Vehicles*** blank, and fill out the rest of the * marked fields (Plate type, State, plate, and make) and click save.

Add Vehicle ×

- Step 3:** Under permits and the permit you would wish to add your new vehicle to, click on the + icon on the right side.

1 | PERMITS + PURCHASE

| Number | Series | Effective | Expires | Vehicles |
|-------------|--------------------------------|------------|------------|----------|
| x SA7000366 | Student Academic Annual Permit | 09/01/2019 | 06/14/2020 | + |

- **Step 4:** Under **Vehicles*** select the vehicle that you added, and it will automatically populate the other fields. Click save, and the vehicle should turn blue, meaning it is now associated with a permit.
