Frequently Asked Questions:

What is a Meal Plan?
A Meal Plan unlocks delicious meals, coffee, snacks, and more at the Bothell Dining locations on campus. They are broken down into Meal Swipes, Dining Bucks, Meal Exchanges, and Guest Meals.

Meal Swipes
Meal Swipes may be used for entry into the all-you-care-to-eat dining options from Market Bar and for-here fare from Urban Kitchen on the upper level of the Terrace Dining Pavilion. For the weekly plans, meals reset at the end of every week (Saturday at 11:59 PM).

Dining Bucks
Dining Bucks are included in many of the Meal Plans available on campus. Dining Bucks can be utilized in a declining balance format (dollar for dollar) at any Bothell Dining location on campus. Visit our Locations and Menus page (Bothelldining.campusdish.com/LocationsAndMenus) for location information, hours of operation, and menus.

Meal Exchanges
Meal Exchanges are included in the Unlimited (20 per quarter), Weekly 14 (15 per quarter), Weekly 10 (10 per quarter), and Gold Premier 50 (5 per quarter) meal plans. Each plan has a limited number of Meal Exchanges that can be utilized throughout the quarter and can be used for a meal from a pre-determined menu at Clean Plate, Food Lab, The Drop, or for To-Go ordering from Urban Kitchen. The maximum number of Meal Exchanges that can be used per week is limited to the total number of Meal Swipes your plan offers per week until you reach your allotted quarter total. *Example: If I have the Weekly 14 Meal Plan, I can exchange up to 14 Meal Swipes per week for Meal Exchanges until I reach my maximum of 15 per quarter.*

Guest Meals
Guest Meals are included in the Unlimited (5 per quarter), Weekly 14 (3 per quarter), and Weekly 10 (2 per quarter) meal plans and are only valid for entry into the all-you-care-to-eat dining options from Market Bar and for-here fare from Urban Kitchen on the upper level of the Terrace Dining Pavilion.
Do I need a meal plan to eat at the Terrace Dining Pavilion?
All locations in the Terrace Dining Pavilion accept credit/debit cards. Anyone can order through the Grubhub app, at our kiosks, or buy an entry ticket to the all-you-care-to-eat area!

How do I use my guest passes?
To use your guest passes, you must go to the Urban Kitchen Kiosk Meal Exchange Menu and select “Guest entry.” Once you “Pay” using your Husky Card or Meal Card, your guest will go to the Urban Kitchen To-Go Counter and receive a single-use swipe-in card.

Why doesn't my husky card work?
Your Husky Card will not work unless you have purchased a meal plan or added dining bucks to your account. Balance from other campuses will not work at Bothell Dining locations.

Can anyone enter the all-you-care-to-eat area? How?
The all-you-care-to-eat Market Bar & Urban kitchen is open to everyone! If you have a meal plan, you can simply swipe in at the turnstiles. If you do not have a meal plan you can purchase an entry at the Urban Kitchen Kiosks.
