ENVIRONMENTAL SUSTAINABILITY
The wetland at UW Bothell is a living laboratory for the study of ecosystems and ecological restoration. The Sarah Simonds Green Conservatory is a greenhouse, classroom and support space for research and public outreach. It houses an herbarium that facilitates studies of conservation, biodiversity and climate change.

RETURN ON INVESTMENT
UW Bothell alumni earned the “best ROI” among all alumni from Washington state colleges, making $609,000 more in 20 years than high school graduates do. The national average is around $225,000.
