UW Bothell is the fastest-growing public university in the state of Washington.

89% of currently enrolled students are from the state of Washington.

Nine out of 10 UW Bothell graduates live and work in the state of Washington.

UW Bothell’s economic impact to the state of Washington is $231.6 million and to the City of Bothell, $125.5 million.

33 new degrees have been added in the past five years.

First year student enrollment for Fall 2014-15 increased 11% over the previous year.

82% of first year incoming students are from King and Snohomish counties.

88% of graduating students are very satisfied or satisfied with their experience at UW Bothell.

Students are participating in study abroad. Participation has doubled in the last two years; students have visited 45 countries.

DID YOU KNOW?

“UW Bothell is fulfilling two critical needs for our region: providing an affordable education for our young people and meeting the increasing demand for qualified local talent.”

EVA CHERRY, President and CEO, Silicon Mechanics

“UW Bothell provides us with educators who can have an immediate impact on student learning, and our district helps to shape how UW Bothell provides relevant and practical training in tune with the real-world needs and challenges of K-12 education.”

LARRY FRANCOIS, Superintendent, Northshore Public School District

“The UW Bothell campus is like a gold mine. The student population is very diverse and has a lot of work experience to complement their education. The smaller, more intimate environment at UW Bothell allows us to really concentrate our recruiting efforts and better connect with students.”

JEFFREY HANLEY, Director of Supplier Management, Boeing Commercial Airplanes

“We’ve hired UW Bothell’s STEM graduates and have seen first-hand how highly skilled, motivated and immediately productive they are for our company and so many others throughout the region.”

MARY JESSE, Founder and CEO, IvyCorp

NATIONALLY RANKED

As UW Bothell matures, it is being recognized in national rankings for quality, value and success of its alumni.

7th for colleges that add the most value.

10th among top 25 best public colleges.

37th best college in the nation.

“dramatically outperforms its peers on graduation rates and alumni financial success factors.”

6th best bang for the buck.

Washington Monthly “gives high marks to institutions that contribute to society, enroll low-income students, help them graduate and don’t charge a fortune to attend.”
