## PSYCHOLOGY
### Transfer Planning Worksheet

Psychology introduces students to a range of domains, perspectives and questions of human experience, along with opportunities for exploring them through independent or collaborative research, social action, and/or critical reflection. Students are encouraged to evaluate how we come to understand human behavior and psychological processes, and to formulate critical questions about the field of psychology itself, including issues of power and human diversity.

For more information, visit: uwb.edu/psychology

### MAJOR ADMISSION REQUIREMENTS

<table>
<thead>
<tr>
<th>Prerequisites</th>
