During this quarter, the ASUWB team met with the Chancellor’s Leadership Team, Student Engagement & Activities orgs to grow partnership, ASUW, GPSS, ASUWT for new opportunities to collaborate. At the Who Am I? Event with the Diversity Center, the team partnered with in three main speakers, 9 Husky Alumni, and representatives from Career Services, the International Center, and Veteran departments. In addition, the ASUWB President met with UW President Ana Mari to share ASUWB goals to further advocate for student needs.

**DATE:** 07/18 - 12/18

**RELATIONSHIP BUILDING**

**GOALS**

+ Develop strong relationships with student-impacting groups on campus.
+ Partner with influential parties to advocate for student needs.

**RESULT**

+ Tri-Campus initiatives including the textbook drive.
+ Stronger connection with student organizations on campus.

**IMPACT LEVEL**

In history, the student organizations at UW Bothell have distantly operated. However, with the new connections building in the student space, the ASUWB team is able to bridge the gaps and allow collaboration to form.
This upcoming legislative session is an important year for UW Bothell. With the new STEM building in planning for construction, the institution is looking to receive $35 Million in funding. This is the largest capital budget requested in this biennium for budget and must be passed to complete the construction. To achieve this, the ASUWB team has been working with the administration, ASUW Seattle, and ASUW Tacoma to build a cohesive legislative agenda for the 2019 legislative session.

**Timeline**

- **November 2018**
  - Hiring of the Legislative Liaison who will be advocating for UW Bothell in Olympia during session.

- **December 2018**
  - The ASUWB team approved the Legislative Agenda for 2019. SLAC first meeting.

- **January 2019**
  - The 2019 session begins with the budget for the next biennium taking place.

**Goals**

- Bring passionate students to the state capitol during session to advocate for funding of UW 4.
- Hiring a Legislative Liaison and working with Washington Student Association to further enhance student experience.

**Result**

- Created the Legislative Agenda in collaboration with WSA, ASUW, ASUWT, GPSS, and UW Bothell Administration.
- Student Legislative Action Committee is revived.

**Impact Level**

In this biennium of legislative session, the student lobbyists will be advocating for UW Bothell’s capital budget for UW 4 building. This will not only allow UW Bothell to continue to expand, but it will also advance the STEM departments and research facilities that allow students and faculty to succeed.
WHO AM I?

Last year, the ASUWB President Dominick Juarez received $5,000 from one of the regent to create a broad impact around diversity and inclusion. The “Who Am I?” panel was the first of a three-part event series to help students set themselves up for success by embracing their background and providing an avenue to engage with different industries in their exploration of personal values and interests. This series also highlight the importance in looking at social identities as strengths when developing professional aspirations and connections.

TIMELINE

August 2018
Grant funds are allocated to the event series and the event series are finalized.

October 2018
Event date, time, location and partners are confirmed for the event.

November 2018
Speakers and panelists are confirmed. The event took place on November 28th, 2018.

GOALS

+ Opportunities for students to explore career paths.
+ Networking outside of classrooms.
+ Connect students to industry leaders and alumni.

RESULT

+ Over 160 students attended the event.
+ Expanded UW Bothell’s network with 12 industry professionals.
+ First student-led event focusing on diversity and career.

IMPACT LEVEL

Over 160 student attended with speakers from Microsoft, Amazon, Kaiser, T-Mobile, Criminal Law, and more. Students left with very positive experience and the ASUWB team was able to build stronger relationship with the panelists and alumni.
The ASUWB Team has been working for the past two years to bring more health resources to our student body and the wellness of students over all. This fall the Health and Wellness Resource Center launched located in the ARC. The resources available in the space include AFSA/WAFSA and Scholarship Assistance, Healthcare Enrollment, Food and Utility Assistance, Reduced Fare Bus Pass, Financial Coaching, Homelessness Prevention & Housing Navigation, Assisting Payments for Financial Emergencies, Free Tax Preparation and more.

** TIMELINE**

- **July 2017**
  - Received contingent funding from the SAF committee after student advocacy.

- **October 2018**
  - The HAWRC opens on October 24th, 2018.

** GOALS **

- Expand health and wellness resources on campus.
- To outreach the HAWRC and their services to the students.

** RESULT **

- Over 100 students attended the opening.
- Received valuable feedback from students for better services.
- Built regular student visits

** IMPACT LEVEL **

The HAWRC is a culmination of efforts from the past ASUWB teams and countless hours of student advocacy. Each week, a large number of students schedule regularly with the HAWRC showing further demand for healthcare support for the student body.
This event was an initiative to get students familiarized with the campus safety team and resources. It was a welcoming event that provided a safe place for students to come and meet the campus safety team, give their feedback, and learn more about our campus. In addition to games and surveys, the campus safety team was able to engage directly with the student body by teaching them how to use road flares, discover the anatomy of a police vehicle, and other interactive activities.

**GOALS**

- Get student feedback on Campus Safety needs and concerns.
- Inform students on resources, initiatives, and opportunities.
- Create a friendly space for students to get to know the Campus Safety team.

**RESULT**

- Over 50 students attended the event.
- Over 20 student who attended took the campus safety survey.

**IMPACT LEVEL**

The ASUWB team and the campus safety team collaboration allowed students to connect with the campus safety team in a welcoming setting. Over 50 students attended and left with positive feedback for both ASUWB and the campus safety team.
HOLLY THE HUSKY HIRING

The Holly the Husky project was initialized by the Director of Outreach and Marketing, John Kim. After allocating the budget for the program, the task was to hire three students to become Holly the Husky as a part time commitment. With the help of the Internal Affairs team, and the ASUWB advisor, the new Holly was able to be hired for the 2018-2019 academic year.

GOALS

- Enhance school spirit and engage the student body.
- Restructure Holly’s program with more organization.

RESULT

- 4 students are chosen to be Holly the mascot.

IMPACT LEVEL

Holly the Husky is the official UW Bothell mascot brought to life by the former ASUWB team. Through the revival of the program, Holly is able to engage the students with purple and gold spirit which allows the students to have a great time while participating in UW Bothell events.
This project was to ensure that any changes in the Bylaws or Constitution are accurately reflected in the governing documents. As well to make sure the appropriate processes are being followed. This consisted of clarifying language of the governing documents in both an official (through the constitutional interpretation committee) and in unofficial capacity. This also consisted of better ways ASUWB members could create and understand policies including implementing a resolution format following a policy creation process.

**Timeline**

**October 2018**
Bylaw changes regarding the wording “Academic Term”.

**December 2018**
Constitution Interpretation Committee clarified the poor standing process.

**Goals**

- Clarify any ambiguity in the ASUWB governing document.
- Ensuring that the ASUWB follows the governing document.
- Ensuring that the ASUWB governing document is understandable for students.

**Result**

- Two changes minor amendments in the ASUWB Bylaws
- Introduction of the resolution process.
- Interpretation of the poor standing procedures.

**Impact Level**

With the major student government restructure in 2017-2018 academic year, the new ASUWB constitution and bylaws were adjusted to fit the current practices of operations. The following updates on its procedures will allows the ASUWB team to further clarify processes as they operate in the future.
A new process for Student Academic Enhancement Fund was created to properly allocate the monetary caps across the academic year. Since SAEF budget is a finite resource, the new procedure was developed to ensure accessibility of the resource to as many students as possible. New measures will allow more student opportunities to travel and optimize the distribution of funds.

**TIMELINE**

**October 2018**
Drafting of the new SAEF policy with the ASUWB team and administration.

**December 2018**
New procedures for SAEF is finalized and approved by the ASUWB board.

**GOALS**

+ Allow more student travel opportunities through SAEF.
+ Adjust policy to be equitable and accessible for all students.

**RESULT**

+ New cap for travel is adjusted to $1000.
+ New group cap for travel is adjusted to $2250.

**IMPACT LEVEL**

SAEF is the largest program owned by the ASUWB team. With $25,000 annual budget, ASUWB has supported the travel of over 100 motivated students with funds. With the new structure, the SAEF program will allow even more students to be funded.
Throughout the 2018-2019 academic year, the ASUWB team must keep track of the budget and make smart financial choices. For the upcoming academic year, new budget request must be made to the Student Activities Fee Committee by abiding its policies and procedures. During the process, the ASUWB team reflected both internally and externally to develop a financial budget that best fit the needs of the organization and the mission which is to enhance the student experience at UW Bothell.

**ASUWB BUDGET MANAGEMENT**

**GOALS**

- Maintain and update budget up-to-date with accurate information.
- Preparing ASUWB budget for the next cycle.

**RESULT**

- 100% accurate reporting of expenses and reconciliation.
- Optimized version of ASUWB budget for the 2019-2020 cycle.

**IMPACT LEVEL**

This project indirectly impacts all students of the associated body. However, it does not have an immediate impact to the day-to-day interaction in the student experience.

**DATE:** 9/18 - 1/19
