Construction Bulletin

May 2022
Week 1

UW Bothell
Student Housing Project
18612 Beardslee Boulevard
Bothell, WA 98011

Construction Activities

The project team is moving along with Building A structure work which includes the following: forming the remaining footings and deck on Monday, May 3rd, pouring the remaining footings and backfilling on Tuesday, May 4th, pouring slab on grade on Wednesday, May 5th, and installing post tension heads on Thursday, May 6th. Structural work for Building D includes forming walls on Tuesday, May 3rd. Apart from structural work, mechanical, electrical, plumbing, and fire protection layout and install will be ongoing for both buildings.

Upcoming Shutdowns

There will be no shutdowns this week.
