CITY YEAR

cityyear.org

City Year was founded in 1988 on the belief that young people can change the world. City Year is an education-focused, nonprofit organization that unites young people of all backgrounds for a year of Full-Time service aimed at keeping students in school and on track to graduation. At City Year's 28 urban locations across the U.S. and two international affiliates, teams of trained young people called AmeriCorps members serve Full-Time in schools during the academic year as tutors, mentors and role models. By focusing on attendance, behavior and course performance, which identify students who are at risk of not graduating on time, AmeriCorps members are positioned to help students and schools succeed.

Positions Available: Full-Time

Majors of Interest: All Majors

EDWARD JONES

careers.edwardjones.com

If you think Edward Jones is like every other large investment firm, think again. The firm is a leader in the financial-services industry, but it takes a personal approach to business, an approach that starts with a face-to-face meeting between a financial advisor and the client. Edward Jones believes that building long-term relationships with the firm's nearly 7 million clients is key to serving their needs. Whether it's in the United States or Canada, Edward Jones is located in the communities where their clients live and work. The firm believes that is the best way to get to know their clients and to help them reach their financial goals.

U.S. NAVY

Navy.com/local

In the world today, America's Navy is a necessary force and uncommon opportunity. There, to protect our country and to deter threats around the globe. There, to provide a challenging and rewarding future for those aspiring to pursue a bigger mission in life. There, as a source of lifelong pride for those who ultimately call themselves Sailors – and as an inspiration to all they serve. It's about being a constant presence. It's about applying cutting-edge equipment and technology. It's about people. And this comes across every day through the selfless service of upstanding men and women; through their responsible use of incredible capabilities; and through the pride, purpose and professionalism present in all they do and have done. From the high-tech to the high-growth to the awe-inspiring, America's Navy offers careers and jobs that fit all backgrounds and interests. There are literally hundreds of distinct professional roles in dozens of exciting fields. And whatever you do – whether as an Enlisted Sailor or Officer, serving full-time or part-time – you'll find unrivaled training, support and experience in a career unlike any other.

It's a career in which you can take pride in the work you do and the services we perform for the citizens of Washington State. SAO also offers a rare opportunity to work in a government environment that is high profile but also even paced. While we have high expectations for the depth and quality of work, we are also able to manage our project schedules to sustain a healthy work / life balance.

WELLS FARGO BANK

wellsfargo.com/careers

Wells Fargo & Company (NYSE: WFC) is a diversified, community-based financial services company with \$1.9 trillion in assets. Founded in 1852, Wells Fargo provides banking, insurance, investments, mortgage, and consumer and commercial financial services through more than 8,600 locations, 13,000 ATMs, online (wellsfargo.com), and mobile devices. We're headquartered in San Francisco, but we're decentralized so every local Wells Fargo location is a headquarters for satisfying our customers' financial needs and helping them succeed financially. We do business with 70 million customers and one in three U.S. households. Wells Fargo has approximately 273,000 team members in 42 countries and territories across our more than 90 businesses. At the end of first quarter 2017, Wells Fargo ranked third in assets among U.S. banks. Our vision: "We want to satisfy our customers' financial needs and help them succeed financially."

WESTPORT, LLC

westportyachts.com

Since the founding of the Westport Shipyard in 1964, we have built and launched a wide variety of vessels, from commercial fishing boats and fast passenger ferries to luxurious motoryachts. Westport was a pioneer in the use of composite materials in yacht and commercial construction, and to date has completed a total of more than 140 yachts and many commercial vessels. Our original focus on ocean-going craft for the North Pacific commercial fishing fleet has become a cornerstone of our dedication

ALL-INDUSTRIES CAREER FAIR

to quality design and construction, and is reflected in the steadfast seaworthiness of each motoryacht we have built. Today, Westport builds composite motoryachts, each one an eloquent statement of elegant style, stellar performance and unsurpassed comfort ... and each one efficiently crafted to world-class yacht construction standards. Westport's status as the largest yacht builder in North America, and among the largest in the world, yields a number of advantages, not only in terms of the quality of our products, but in the level of service we can offer our clients.
