Curricular Practical Training (CPT) Application Packet

Revised March 2019

Curricular Practical Training (CPT) gives you work authorization during your program of study to engage in off-campus internships to gain practical experience in your major.

Step 1: Attend a CPT Workshop - [www.uwb.edu/cie/events](http://www.uwb.edu/cie/events)

Step 2: Talk with your Academic Advisor about the department’s internship pre-requisites.

Step 3: Utilize UW resources to find an internship (see page 4 for a list of these)

Step 4: After receiving an internship offer, complete all requirements with your Academic Advisor and register for the required course.

Step 5: Submit the following application documents to CIE:

- Internship Offer Letter, which must:
  1) Be printed on company letterhead and include the full address of the employer
  2) Include the exact beginning and ending dates of the internship
  3) Include the number of hours per week you will work
  4) Provide a detailed description of your internship duties

- Completed CPT Recommendation Form (see attached form)

Step 6: Receive an updated I-20 from CIE that indicates your CPT work authorization. You can’t begin employment until you have received work authorization with the new I-20.
How Can I Earn Credit for an Internship?

Frequently Asked Questions

Am I eligible for CPT? You must be:
✓ Currently in valid F1 visa status.
   AND
✓ Currently in your major (Students in pre-major are not eligible).
   AND
✓ Completed 3 academic quarters as a full-time student (previous study at another school can count towards this requirement)
   AND
✓ Meet the requirements by your Academic Department to get permission to enroll in the internship credit.

How many hours can I work? If you are doing your internship during your:
✓ Vacation Quarter: You can work part or full-time (up to 40 hrs/week).
✓ Academic/Graduation Quarter: You can work part-time (up to 20 hrs/week)

What are the requirements of the internship?
✓ The internship must be clearly related to your major.
✓ You must earn credit from your department for your internship experience.
✓ The credit earned must be in the same quarter of when you do the internship.
✓ The internship cannot be pursued for the purpose of facilitating employment.

Do I have to register for internship credit?
✓ Yes, this is an immigration requirement. If you want to do an off-campus, paid internship then you must earn credit during the same quarter(s) that you do the internship. You won’t get CPT work authorization unless you have enrolled in the credit. Working off-campus without earning credit would be considered illegal.

When can my internship begin and/or end?
✓ You must wait until you have CPT work authorization before you can begin the internship.

✓ If you want to do the internship for more than 1 quarter, you must complete the CPT application process for each quarter.

✓ The proposed employment start and end dates should closely follow the academic calendar.

Can I do an internship more than 1 quarter?
✓ Consult with your Academic Advisor. If your academic program allows the internship course to be repeated for additional credit, then that is OK. You must complete a CPT application process for each quarter.

Can I change my employer while on CPT automatically?
✓ No. You must complete the CPT application process again before your new internship.

Does CPT affect my chance to do OPT after I graduate?
✓ Maybe. If you do an accumulation of 12 months of full-time CPT (which rarely happens), then you wouldn’t be eligible to apply for OPT.
