Concurrent Enrollment Recommendation Form

Concurrent Enrollment: An F-1 student can be enrolled in two different SEVIS-approved schools at the same time, as long as the combined enrollment amounts to a full time course of study. **This form must be returned before the drop/add period ends at University of Washington Bothell.** Failure to do so could result in information being sent to SEVIS that you are not enrolled full-time, which is a violation of immigration regulations for students on an F-1.

The concurrent enrollment provision is applicable only to those who will be registered less than full time at UWB, and who are relying on enrollment at another school in order to meet the full course of study requirement. As long as the student is enrolled full time at UWB, he or she does not need special permission to take additional courses at another school.

To Be Completed by the Student:

Name: __________________________  Student ID: __________________________

Email: __________________________  SEVIS ID: __________________________

By signing below, I hereby agree and understand:

- I am required by federal law to register for either 12 credit hours if an undergraduate student or 10 credit hours if a graduate student.
- **Between my registration at UWB and my registration at the second school, I meet the full-time enrollment requirement.** To concurrently enroll, you must take the majority (at least 7 credits) of your required 12-credit minimum at UWB, or for graduate students, at least 6 of your 10-credit minimum at UWB.
- If I fail to be enrolled through the end of the current quarter as a full-time student, I understand that UWB will terminate my I-20 for failure to maintain my visa status.
- To prove to CIE that I was enrolled as a full-time student for the entire quarter, I understand that I must provide CIE with official transcript from the other school at the end of the current quarter showing my grade(s). The transcript must be submitted no later than the start of the following quarter.
- In order to change my registration or drop a class at either UWB or the second school, I must first receive written approval from the CIE at UWB; failure to do so may cause me to lose my F-1 student status.
- My academic department will allow courses taken at the second school to transfer back to UWB.
- I must provide CIE with a copy of my registration form from another school prior to the drop/add period at UWB.
