The University of Washington Bothell welcomes you to our 29th annual Commencement. We are proud of our graduates and thank you for helping us celebrate this special occasion.

We are honored that the Class of 2020 followed in the footsteps of more than 20,000 University of Washington Bothell alumni in entrusting their higher education to our faculty and staff. We take the responsibility seriously to provide an inclusive internationally and nationally ranked university experience that prepares our students to be creative thinkers, researchers, workplace innovators and civic leaders. Our curriculum emphasizes discovery and innovation through close student-faculty interaction, collaboration among students, and hands-on learning. At UW Bothell, our students earn an acclaimed University of Washington degree while building solid foundations of relevant knowledge, practical skills, and professional preparation. They engage our community as partners in education and research and develop collaborative solutions to the most pressing problems facing our region and the world today.

Every student who decides that the UW Bothell experience is right for them is valued for the experience they bring and the contributions they make. The vast majority are local and stay local. Nine out of 10 of our students are from the state of Washington and remain after attaining their degree. Our graduates are leading change across industries and in the community, all of which directly contribute to our regional economy and enrich our community.

Join us in congratulating the University of Washington Bothell Class of 2020!

THE ACADEMIC PROCESSION

The academic dress worn by scholars in the commencement procession originated in the Middle Ages. When European universities were forming in the 12th and 13th centuries, the scholars usually were clerics as well, and they adopted garb similar to that of their monastic orders. Buildings were cold and drafty, so hoods and caps for shaved heads, and warm, floor-length capes were necessities.

As the control of education passed from the churches, the garb was modified in various ways, and there was great diversity in color and style of cap, gown and hood worn at the different institutions. The custom of wearing academic dress was brought to this country in colonial times, and in 1895 a standardized code of academic dress was established that is followed by most colleges and universities in the United States. Although some institutions have added more colorful regalia, the black robe, hood and cap are the typical apparel.

Both cap and gown are symbols. According to legend, the privilege of wearing a cap was the initial right of a freed Roman slave. The academic cap, therefore, has become a sign of the freedom of scholarship. The Oxford mortarboard, said to have originated in ancient Greece, symbolizes the scholar’s commitment to a life of building. The gown has become symbolic of the democracy of scholarship, intended to cover clothing that could indicate rank or social stratum. The bachelor’s gown is plain, with long, pointed and open sleeves. The master’s gown has even longer sleeves, closed at the bottom with openings midway for the hands. The doctor’s gown has full-length lapels of velvet and bell-shaped sleeves with three horizontal velvet bars.

Baccalaureate honors – Summa Cum Laude, Magna Cum Laude, and Cum Laude – are awarded for outstanding undergraduate scholarship with a minimum 90 credits earned and the honors grade-point average met.

Faculty Honors are granted to graduates who are ranked in the top 10% of their respective program with a minimum 70 graded credits, except BS Nursing who must earn a minimum 43 credits.

The colors of honor cords, tassels and hoods reflect the degree of the wearer. The University of Washington Bothell colors are as follows:

Honor cords: baccalaureate honors—gold; Faculty Honors—purple.

Tassel colors: BA Applied Computing—white; BA Business Administration—royal blue; BA Health Studies; BA Interactive Media and Design—white; BA Interdisciplinary Studies—white; BS Biology—golden yellow; BS Chemistry—golden yellow; BS Computer Science and Software Engineering—golden yellow; BA Educational Studies—light blue; BS Electrical Engineering—orange; BS Environmental Science—golden yellow; BA Mathematical Thinking & Visualization—white; BS Mechanical Engineering—orange; BS Nursing—apricot; BS Physics—golden yellow; Master’s—black; Teacher Certification—black; Hood colors: Master of Arts in Cultural Studies—white; Master of Fine Arts—brown; Master of Arts in Policy Studies—white; Master of Business Administration—royal blue; Master of Science in Accounting—royal blue; Master of Science in Computer Science and Software Engineering—golden yellow; Master of Science in Electrical Engineering—orange; Master of Science in Cyber Security Engineering—golden yellow; Master of Education—light blue; Master of Nursing—apricot.

THE UNIVERSITY MACE

The University Mace, carried by associate professor, Joseph Janes, the University Marshall, symbolizes the authority of the University and of the faculty who have certified the graduates for their degrees. Its presence signifies that these proceedings take place under the official sanction of the Regents of the University of Washington.

Originally, the mace was an emblem of authority and a prerogative of royalty. The University Mace bears the inscription, “Presented to the University on the occasion of its Centennial by the University of Washington Alumni Association, 1961.” It is engraved with the images of the University seal and historic University buildings.

THE PRESIDENT’S SEAL MEDALLION

President Ana Mari Cauce wears the President’s Seal Medallion when presiding over commencement ceremonies. The tradition of the seal medallion began in 1958, when Dr. Charles E. Odegaard was inaugurated as the University’s 24th president. On one side of the medallion is the University seal with a facsimile of the four columns from the original territorial University building and the University motto “Lux Sit,” meaning “Let there be light.” On the other side are the words, “Seal of the President of the University.”

The University of Washington Bothell
THE UNIVERSITY OF WASHINGTON BOTHELL
MISSION AND GOALS

UW Bothell holds the student-faculty relationship to be paramount. We provide access to excellence in higher education through innovative and creative curricula, interdisciplinary teaching and research, and a dynamic community of multicultural learning.

- Serve college-age and established adult students, as well as the community at large, by providing access to a premier institution of higher education.
- Emphasize and develop critical thinking, writing, and information literacy, in order to graduate students with life-long learning skills.
- Actively recruit and support outstanding faculty scholars with a passion for communication.
- Build an inclusive and supportive community of learning and incorporate multicultural content and diverse perspectives on ethnic and racial groups, gender, sexual orientation, social class, and special needs.
- Encourage and support collaborative, interdisciplinary, and cross-program initiatives.
- Provide quality curricula by making use of the best of educational technology in support of teaching and learning.
- Attract and support an internationally diverse student body and a nationally recognized faculty and staff.
- Create and support excellence in student services, academic services such as library, writing center, computing services, and physical facilities.
- Foster productive relationships with the employment community and promote a strong public service commitment.

The University of Washington Bothell is committed to achieving this mission and promotes the on-going review of our outcomes, organizational structures, and processes that support this mission and these goals.

2020 SPEAKERS AND HONOREES
SPEAKERS & AWARDS

ASUWB President
• Shugla Kakar, Gender, Women & Sexual Studies and Health Studies ‘20

Commencement Speaker
• Abigail Echo-Hawk, Chief Research Officer, Seattle Indian Health Board

Chancellor’s Medal
The University of Washington Bothell Chancellor’s Medal is presented to the student whose commitment to learning and overcoming obstacles is a source of inspiration to other students and faculty. The medal is presented at Commencement by the chancellor.
• Yasmin Guzman, Health Studies ‘20
• Shugla Kakar, Gender, Women & Sexual Studies and Health Studies ‘20
• Midia de Souza, Law, Economics & Public Policy and Media & Communications Studies ‘20

President’s Medal
The President’s Medalist is selected from among graduating seniors with the most distinguished academic record. The award is presented by the UW president at Commencement.
• Casey Cummins, Health Studies ‘20

Distinguished Alumni of the Year Award
The UW Bothell Alumni of the Year Award recognizes outstanding alumni who have exhibited distinguished professional achievements and/or community service since graduation from the University of Washington Bothell.
• Priya Frank, MACS ‘11
• David Ryder, MACS ‘11

Distinguished Teaching Award
The University of Washington Bothell’s Distinguished Teaching Award is presented to a faculty member who has demonstrated sustained excellence in teaching. Criteria include mastery of the subject matter, enthusiasm and innovation in teaching, and the ability to inspire original thinking and creative work in students.
• Mabel Ezeonwu, Associate Professor, School of Nursing & Health Studies

Distinguished Research, Scholarship and Creative Activity Award
The Distinguished Research, Scholarship and Creative Activity Award is presented to a University of Washington Bothell faculty member in recognition of scholarly or creative achievement that exemplifies the University’s standard of excellence.
• Carrie Tzou, Associate Professor, School of Educational Studies

Outstanding Community - Engaged Scholar Award
The Outstanding Community-Engaged Scholar Award was created in 2020 by the Community Engagement Council. Given annually, the award recognizes impactful community-engaged scholarship by faculty at the University of Washington Bothell. UW Bothell defines community engagement as the collaboration between institutions of higher education and their larger communities (local, regional/state, national, global) for the mutually beneficial exchange of knowledge and resources in a context of partnership and reciprocity.
