**UWB CORONAVIRUS**

To our Diversity Center family and UWB community, we are thinking about you and those close to you during this unprecedented and challenging time for our world. These moments can bring upon a high level of uncertainty, especially those that are at the margins of our society. We are in this together, and together we will move through these stressful times, centering our humanity and spirit of hope. The Diversity Center is committed to providing resources to our community; we are working towards posting a google doc with a comprehensive list of resources that will be updated daily. We will post this resource list when live.

## STAY HEALTHY - COVID-19

UNIVERSITY of WASHINGTON

# STAY HEALTHY, HUSKIES

You can reduce the risk of spreading the coronavirus that causes COVID-19 by taking the same steps you'd take to avoid getting colds and the flu:

- **Wash hands** often with soap and water for at least **20 seconds**. If water's not available, use **hand sanitizer** with 60–95% alcohol.
- **Avoid touching your eyes, nose or mouth** with unwashed hands.
- **Cover your mouth and nose** with your elbow or a tissue when you cough or sneeze – and immediately dispose of used tissues.
- **If you're sick**, stay home and avoid close contact with others.
- If you need to miss class, contact your instructors directly.

Many people who contract this coronavirus have relatively mild symptoms and fully recover. If you're concerned about your symptoms, **call your health-care provider first** before seeking medical care in person.
