University of Washington Bothell
Inclement Weather/Suspension Procedure

Introduction

This procedure applies to the decision to suspend classes and/or campus operations at the University of Washington Bothell and its off-site locations, and provides operational guidelines to implement the University Suspended Operations Policy (University Handbook, Executive Order #27). Please note the decision to suspend classes and/or campus operations at UW Bothell is made independent of decisions for UW Seattle or UW Tacoma.

All faculty, staff, and students should assume UW Bothell is open and holding classes unless notified to the contrary in accordance with these procedures.

Definitions:

**Suspension of classes** is the temporary discontinuance of academic instruction. Students should not attempt to arrive on campus until the suspension is lifted. Faculty and staff should consult with their immediate supervisor.

**Suspension of campus operations** is the temporary discontinuance for normal work activities, academic or support programs, and other campus events. Students, faculty, staff, visitors, and non-essential personnel should not be on campus.

Suspension Implementation

This procedure will be implemented whenever conditions require that UW Bothell suspend classes or campus operations.

- Assessment of conditions and the potential to seriously disrupt classes or campus operations.
- Decision to suspend classes and/or campus operations.
- Activation of notification systems to inform students, faculty, and staff of suspension decision.
- Application of compensation guidelines for time off during suspended operations (University Handbook, Executive Order #27).

Suspension decisions should be made prior to the following times, although unanticipated weather or emergency conditions may alter this schedule:

- **5:00 AM:** Early morning classes from 7:00 - 11:00 AM.
- **9:00 AM:** Mid-day classes from 11:00 - 4:30 PM.
- **2:30 PM:** Late afternoon/early evening classes from 4:30 – 8:00 PM.
- **5-6:00 PM:** Late evening classes from 8:00 PM – 10:00 PM.

Essential departments within Planning and Administration will continue to be operational and staffed regardless of suspension announcements, but may operate on a reduced schedule. In addition, each major department of UW Bothell has designated individual(s) who will be considered “essential” during suspended operations, and will be responsible for updating voicemail and email communications in that unit.

**Off-site programs** at Everett Community College (ECC), Harborview Medical Center (EMC), Swedish First Hill Campus, the Eastside Leadership Center (ELC), and any other off-site programs that are not listed will follow the decisions made by the host facility/building manager; **Leased spaces** such as the UWB Beardslee Building (UWBB), UWB Beardslee Crossing (UWBX), and Husky Hall will be independently assessed and a decision regarding closure will be made conjointly with the campus suspension.

**Accommodations** will be temporarily provided in the North Creek Events Center to Students, Faculty, and Staff in the event of suspended or cancelled classes and/or campus operations.

Notification Systems

Activation of these notification systems are used to inform students, faculty, and staff of any suspension decisions. The UW Bothell emergency page www.uwb.edu/emergency is the official source of information for UW Bothell.

- UW Bothell Information Line: 425-352-3333
- UW Bothell Website Homepage: www.uwb.edu
- UW Alert System (receive text message alerts and/or email): www.uwb.edu/emergency
- Public School Emergency Communication System: https://www.flashalert.net/
- UW Bothell Facebook Page: www.facebook.com/uwbothell
- UW Bothell Twitter Page: www.twitter.com/uwbothell
- AlertUs Desktop Notification: message alerts scroll on UW Bothell computers
- Local television and radio media outlets
- UW Bothell Advisory email to Faculty and Staff, and Students (if possible)

General Responsibilities

Chancellor

- The Chancellor delegates authority to the UW Bothell Vice Chancellor for Planning and Administration to authorize suspension of classes and/or campus operations in consultation with the President of Cascadia College.

Vice Chancellor for Planning and Administration

- Advise Chancellor of local conditions and circumstances.
- Authorize suspension of classes or campus operations.

Vice Chancellor for Academic Affairs

- Authorize suspension of classes or campus operations if the Vice Chancellor for Planning and Administration is not available.
- Contact all Academic Deans, Director for the Library, and Center Directors to take action as required for classes and services.
- Develop internal inclement weather guidelines for the Library, Writing & Communication Center, Quantitative Skills Center, Teaching Learning Center, Activities Recreation Center, and all Academic Schools and Programs.

Associate Vice Chancellor of Facilities and Campus Operations

- Participate on UW Bothell Weather Team.
- Monitor severity of conditions for effect on UW Bothell facilities. Make local assessment to determine weather conditions and area concerns and initiate 4:20am conference call to discuss alternatives.
- Advise Vice Chancellor of local conditions and circumstances.
- If campus operations are suspended on a Friday, advise Vice Chancellor of campus’ weekend operations, including building, library and computer lab hours:
  - Disseminate information to UW Bothell Weather Team.
- Implement inclement weather facility procedures for buildings, campus roads, and related tasks as necessary.
- Develop internal inclement weather guidelines for Facilities Services, Campus Safety and Commuter Services.
- Notify Commuter Services Manager of inclement weather suspension for appropriate operating modifications.

Assistant Vice Chancellor for Planning and Administration

- With Vice Chancellor’s authorization, notify Physical Planning & Space Management and Auxiliaries Services Directors of inclement weather suspension for appropriate operating modifications.
- With Vice Chancellor’s authorization, notify University Bookstore Manager of inclement weather suspension for appropriate operating modifications.

Assistant Vice Chancellor for Organizational Excellence & HR Management

- Advise campus departments and employees of compensation practices in the event of a full or partial suspension of operations.
Chief Information Officer for Information Technologies
- Develop internal inclement weather guidelines for Information Technologies.
- Identify individual(s) who will be considered “essential” during suspended classes or campus operations that will be responsible for ensuring campus technology is operational.

Director of Communications
- Participate on UW Bothell Weather Team.
- Receive status information from Everett Community College, Harborview Medical Center, Swedish First Hill Campus, and the Eastside Leadership Center.
- Activate all notification systems.
- Authorize UW Alert system for text message alert.
- Update message on the UW Bothell Information Line (425.352.3333).
- Authorize update of UWB website homepage with message alert (www.uwb.edu).
- Contact UW Technology for update of UW Seattle Information Line (206-897-4636).
- Contact UW Seattle News & Information for update of UWS website homepage and for press release to local television and radio media.
- Notify Public School Emergency Communication System for update to flashalert.net
- If campus suspends operations on a Friday clarify status of campus’ weekend operations, including building, library and computer lab hours:
  - Disseminate information via outlets above.

Director of Campus Safety
- Participate on UW Bothell Weather Team.
- Maintain building locking system.
- Develop internal inclement weather guidelines for Campus Safety & Security.
- With Vice Chancellor’s authorization, implement inclement weather security procedures for buildings, campus roads, and related tasks as necessary.

Director of Administrative Services
- Develop, update, and distribute inclement weather guidelines for the UW Bothell campus.
- Assist the Associate Vice Chancellor of Facilities with developing internal inclement weather guidelines for Facilities Services, Campus Safety and Commuter Services.
- Communicate procedures to all ‘essential staff’.

Emergency Preparedness Manager
- Participate on UW Bothell Weather Team.
- Activate Emergency Operations Center or Campus Emergency Response Team as necessary.
- With Vice Chancellor’s authorization, implement inclement weather safety procedures for buildings, campus roads, and related tasks as necessary.
- Notify the UW Bothell Emergency Executive Policy Group.

Dean for Student Affairs and Assistant Vice Chancellor for Enrollment Management
- Provide Chancellor with an outline of procedures that the program will follow to notify students regarding suspension of classes.
- Identify individual(s) who will be considered “essential” during suspended classes or campus operations and will be responsible for updating voicemail and email communications in the program.

Faculty
- **Call the UWB Information line: 425-352-3333** or Seattle: 206.UWS.INFO or 1-866-UWS-INFO to determine whether classes or campus operations have been suspended.
- Sign up for UW Alert system for text message alert.
- Update voicemail/email for individual classes.
- Post Usenet group message on status of classes.
- For small classes, faculty may want to use telephone tree.
- If operations are not suspended and faculty member is unable to get to campus for class, contact appropriate dean or program director.
Staff
• **Call the UWB Information line: 425-352-3333** or Seattle: 206.UWS.INFO (206.897.4636) or 1-866-UWS-INFO (1.866.897.4636) to determine whether classes or campus operations have been suspended.
• Sign up for UW Alert system for text message alert.
• If operations are not suspended, contact your immediate supervisor.

Students - Access information about class suspensions prior to attempting to arrive on campus
• **UWB Information Line: 425-352-3333** or Seattle: 206.UWS.INFO or 1-866-UWS-INFO
