University of Washington Bothell
Inclement Weather/Suspension Procedure

Introduction
This procedure applies to the decision to suspend classes or campus operations at the University of Washington Bothell and its off-site locations, and provides operational guidelines to implement the University Suspended Operations Policy (University Handbook, Executive Order #27). Please note the decision to suspend classes or campus operations at UW Bothell is made independent of decisions for UW Seattle or UW Tacoma.

All faculty, staff, and students should assume UW Bothell is open and holding classes unless notified to the contrary in accordance with these procedures.

Definitions:

**Suspension of classes** is the temporary discontinuance of academic instruction. Students should not attempt to arrive on campus until the suspension is lifted. Faculty and staff should consult with their immediate supervisor.

**Suspension of campus operations** is the temporary discontinuance for normal work activities, academic or support programs, and other campus events. Students, faculty, staff, visitors, and non-essential personnel should not be on campus.

Suspension Implementation
This procedure will be implemented whenever conditions require that UW Bothell suspend classes or campus operations.

- Assessment of conditions and the potential to seriously disrupt classes or campus operations.
- Decision to suspend classes or campus operations.
- Activation of notification systems to inform students, faculty, and staff of suspension decision.
- Application of compensation guidelines for time off during suspended operations (University Handbook, Executive Order #27).

Suspension decisions should be made prior to the following times, although unanticipated weather or emergency conditions may alter this schedule:

- **6:00 AM:** Early morning classes from 8:00 - 11:00 AM.
- **9:00 AM:** Mid-day classes from 11:00 - 4:30 PM.
- **2:30 PM:** Late afternoon/early evening classes from 4:30 – 8:00 PM.
- **5-6:00 PM:** Late evening classes from 8:00 PM – 10:00 PM.

Essential departments within Administration & Planning will continue to be operational and staffed regardless of suspension announcements, but may operate on a reduced schedule. In addition, each major department of UW Bothell has designated an individual who will be considered “essential” during suspended operations, and will be responsible for updating voicemail and email communications in that unit.

**Off-site programs** at Skagit Valley College (SVC) and Everett Community College (ECC) will follow the decisions made by the host institutions; that is, if SVC or ECC suspends operations, our UW Bothell classes will be suspended as well. The Eastside Leadership Center (ELC) in Bellevue and the UWB Beardslee Building (UWBB) will follow the decision made for the UW Bothell campus; that is if classes and operations at the Bothell campus are suspended the ELC and UWBB spaces will be closed.

Notification Systems
Activation of these notification systems are used to inform students, faculty, and staff of any suspension decisions.
