TO ASSESS A BILL...

HOUSE BILL 520

State of Washington       65th Legislature       2018 Session

By Request: Washington State University
Sponsors: 87th Legislative District Representatives

"NEW SECTION" language is new, but is not underlined.

AN ACT Concerning influencing the outcome of a sporting event.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The legislature finds that the University of Washington has beaten Washington State University in five meetings of the “Apple Cup” in a row, and eight out of the previous ten games. The only two won by WSU occurred in overtime. In the last five meetings, the UW has averaged 37.8 points to WSU’s 14.2. Washington State University is hereby requesting that RCW 9A.82.080 be amended so that their football team begins the game with 23.6 points.

Sec. 2. RCW 9A.82.080, Influencing the outcome of a sporting event, is hereby amended as follows:

(1) Whoever knowingly gives, promises, or offers to any professional or amateur baseball, football, hockey, polo, tennis, horse race, or basketball player or boxer or any player or referee or other official who participates or expects to participate in any professional or
TO ASSESS A BILL...

(1) Whoever knowingly gives, promises, or offers to any professional or amateur baseball, football, hockey, polo, tennis, horse race or basketball player or boxer or any player or referee or other official who participates or expects to participate in any professional or amateur game or sport, or to any manager, coach, or trainer of any team or participant or prospective participant in any such game, contest, or sport, any benefit with intent to influence the person to lose or try to lose or cause to be lost or to limit the person's or person's team's margin of victory or defeat, or in the case of a referee or other official to affect the decisions or the performance of the official's duties in any way, in a baseball, football, hockey, or basketball game, boxing, tennis, horse race, or polo match, or any professional or amateur sport or game, in which the player or participant or referee or other official is taking part or expects to take part, or has any duty or connection therewith, is guilty of a class C felony.

(2) Nothing in this section applies to the "Apple Cup," the annual rivalry game between the University of Washington and Washington State University. Beginning in 2018, Washington State University shall start the Apple Cup game ahead of the UW with a score of 23.6 to 0.

(3) In the likely scenario that WSU loses five more Apple Cup games in a row, Section (2) above expires, and the "Apple Cup" will no longer be played. Instead, to give them a fighting chance, WSU’s annual rivalry game will be against the University of Oregon.

TIPS FOR EFFECTIVE LEGISLATIVE ADVOCACY
YES, YOU CAN

> Engage in the political process as a private individual using private resources
> Educate elected officials and state government leaders on a policy issue or serve as an “expert” on a policy
> Respond to direct legislative requests for information
> Directly lobby a legislator (or executive) as a UW employee using UW resources as long as you report it with the PDC
  – Direct lobbying typically means asking for something (policy, funding, etc.) or asking them not to specifically do something
> Lobby a legislator on a personal topic using your UW affiliation as long as you lobby on your own time and explicitly state you are speaking for yourself and not the University
> **Please coordinate UW advocacy with the Government Relations Office**
Engage in grassroots lobbying as a UW employee using UW resources
  - Grassroots lobbying typically includes a “call to action” in support of specific funding or policy change

Participate in political campaigns during work hours or donate to campaigns using public funds

Work to pass or defeat a ballot initiative using UW time or resources
MEETING WITH A LEGISLATOR OR TESTIFYING BEFORE A COMMITTEE

> Be early – things move quickly during session
> Be concise – time in session is precious
> Be flexible – schedules often change
> Be gracious – do not disparage other institutions, programs, legislators, or political parties
> Use concrete examples that connect policy & funding to the needs of the state and its residents
> If you don’t know the answer, that’s ok, we’ll find it together and follow up

UW Bothell 2019 LEGISLATIVE AGENDA

Capital Budget Priorities:

> $35M to construct a STEM education facility at UWB in partnership with Cascadia College

Operating Budget Priorities:

> STEM Degrees & Programs: We request state support to produce more STEM degrees for WA students and employers.
  – Bothell: $1.5M to add degree capacity to support the biomedical Innovation Partnership Zone (IPZ) near campus;

> Compensation: We request two 4% raises for faculty and pro staff, that our CBAs are approved in full, and that state funding be increased to cover 50% of employee compensation and central service expenses (aka. the “fund-split”).
A “Democratic Trifecta” exists in Olympia, with Democrats controlling the House, Senate, and Governor’s Mansion

In the 2018 Election, Democrats picked up seats in both the House (57-41) and Senate (28-21)

Rep. Laurie Jinkins (LD 27) was selected to serve as the new Speaker of the House in 2020. Sen. Andy Billig (LD 3) will continue as the Senate Majority Leader, Rep. JT Wilcox (LD 2) and Sen. Schoesler (LD 9) will continue in their leadership roles for the minority party

60 Day (long) session. Big legislative topics will include transportation, mental health, affordable housing, homelessness, climate, and taxes

2020 is an election year, so everyone will want to get done “on time”
