

2020-2021 Food Options

Due to the changes and impacts related to COVID-19, UWB Food Service will look dramatically different this year. Below are food options on and around campus. This includes campus and home delivery options to consider. As always, updated information will be provided on our website at www.uwb.edu/food.

Campus Restaurants

Subway

OPEN Monday-Thursday
10am-6pm
Open Friday 10am-3pm
Closed on weekends

Food For Thought Café

Closed until increase in
on-campus population

Common Grounds Café

Closed indefinitely

Campus Vending:

Vending Machines remain on campus and accessible in building locations open to public. At this time, Avenue C in the lower level of the ARC is not available to public or open for sales. A second location is being explored to continue providing this service to campus in the UW2 Commons. Further information will be shared and updated when finalized. Current vending locations can be found online [here](#).

Campus Food Trucks:

The campus food truck program is currently not available due to the impacts of COVID-19 and lack of on-campus population at this time. We will return this program when it is financially feasible for the food trucks to return to campus.
