

## **Campus Council on Academic Standards and Curriculum Meeting**

Jun 3, 1:30 – 3pm via Zoom

**Present:** Grace Lasker (chair), Ceri Nishihara, Cheryl Gordon, Rob Turner, Avery Shinneman, Hazel Asuncion,

**Guests:** Pam Lundquist, Rachael Gilchrist, Cinnamon Hillyard

### **Council End-of-Year Reflections/Suggestions**

- Would be helpful if CCASC members had checklist of general items to look at every time
- Suggest adding a comments section to review tracker spreadsheet
- Keep meetings via Zoom
- Plan info sessions in Autumn for reviewing newly updated curriculum guide
- CCASC only reviews courses that move online 100%, should consider reviewing (at least seeing) all

### **Curriculum Reviewed:**

#### **B CUSP 100**

##### **General Learning Strategies**

**CCASC Recommendation:** Remove in-person syllabus, make DL more obvious in syllabus. Make it clear in Quali that it is a synchronous online class in zoom. Consider not having first learning objective be about academic integrity since 101 is a breakoff from 100 and specifically for international students.

**CCASC Decision:** PENDING – RETURN THROUGH CCASC CHAIR

#### **B CUSP 101**

##### **Success Strategies for International Students**

**CCASC Recommendation:** Suggest different title and justification to help differentiate from 100. May want to nuance the course description so that it doesn't overlap with 100.

**CCASC Decision:** PENDING – RETURN THROUGH CCASC

#### **B WRIT 135**

##### **Research Writing**

**CCASC Recommendation:**

**CCASC Decision:** APPROVED AFTER EFFECTIVE DATE CHANGED TO WINTER.
