Campus Council on Academic Standards and Curriculum Meeting

Nov 5, 10-11:30am via Zoom

Present: Ceri Nishihara (acting Chair), Rob Turner, Avery Shinneman, Yusuf Pisan

Guests: Lindsay Blackie, Casey Mann, Pam Lundquist, Erin Espedal, Jose Rodriguez, Rachael Gilchrist, Jung Lee

Curriculum Reviewed:

B BECN 302

Intermediate Microeconomics

CCASC Recommendation: Advise that Kualii be updated by changing the credits, and justifying the QSR designation as a stand-alone course. Advise that the language about needing proof of reason for absence be removed from the syllabus, as well as rewriting the language around exam timing. Overall, the language in the syllabus sounds ominous and inflexible.

CCASC Decision: RETURN THROUGH CCASC CHAIR

UG-B Math-Major

Mathematics

CCASC Recommendation: Change the effective start date to Spring, 2022. Suggest checking with UWCO as to whether this program change is "substantial," and therefore requires a NOP. Make the current and proposed "Recommended Preparation" the same on Kualii.

UG-B Math-Minor

Mathematics

CCASC Recommendation: Change the effective start date to Spring, 2022. Suggest checking with UWCO as to whether this program change is "substantial," and therefore requires a NOP. Make the current and proposed "Recommended Preparation" the same on Kualii.

CCASC Decision: RETURN THROUGH CCASC CHAIR

B HLTH 195

Selected Preparatory Topics in Health and the Natural World

CCASC Recommendation: Concern about overlap with B HLTH 298 and the LOs. CCASC needs further explanation/discussion involving a HLTH rep.
