

General Faculty Organization Winter Quarter Meeting

Mar 3, 2020, 3:30pm DH-464

Present: David Socha, Keith Nitta, Minda Martin, Kara Adams, David Socha, Keith Nitta, Mike Stiber

Discussion Items

- UW Response to Covid-19
 - Mar 4 CAD meeting will focus on Covid-19, final 30 min will be IT
 - Nursing concerned because students on front line
 - Should GFO create boiler plate language to share?
 - Info/updates changing too rapidly, better to rely on messages from leadership
 - Some faculty asking students to wipe down classrooms
 - Report empty hand sanitizer dispensers
 - Faculty concerns that GFO could address:
 - Messaging to faculty: Plan 100% online teaching for Spring
 - Clear guidance from administration as to what faculty should/shouldn't do/say
 - Sample language to send to students now and before Spring break
 - How do faculty walk a middle line? Some students come in some don't
 - Panopto, Quick Time, Zoom – tools and tutorials for faculty
 - Communicate to faculty that they should avoid travel if possible
 - What are other countries doing?
 - Create cross-disciplinary group to build curriculum for spring? – learning opportunity
 - Health communications students could help communicate to partners
 - SNHS has google site about outbreak – working on myths and facts page. Nora Kenworthy will look into sharing with group
 - Use as model for other schools
- GFO Ballot
 - Ballot closes Mar 4, 11:55pm. Results will be emailed to campus Mar 5
- Community Engagement Council Seed Grant Awards
 - [Outstanding Community-Engaged Scholar Award](#)
 - [Outstanding Public Service Award](#)
 - Goal is to have donor fund awards in future. CE and advancement working on 1-page case statement and value alignment.
 - GFO discussion:
 - Great work over the past 4 years getting Carnegie Classification
 - Would be good to give same level of analysis to cross-disciplinarity

Minutes submitted by Dawn Moncalieri

Meeting adjourned at 4:30pm

Next meeting Spring quarter - TBD
