Student Housing Reservation Fee Deferral Request Form

I, __________________________ (print name), request deferral of my $300 non-refundable housing reservation fee until financial aid is disbursed for the first quarter of my housing occupancy. I understand that I am obligated to make this payment, even if I later choose not to live in University of Washington Bothell student housing. This payment is a financial commitment and I will make the payment even if the status of my financial aid changes from the time of signing this form. I understand that if the deferral request is approved, the $300 Housing Reservation Fee charge will be posted to my student account and is due in full for the first quarter upon disbursement of my financial aid.
