

# USB Microphone Kit

Step 1: Open case and set the base on a flat surface (Fig. 1)

Step 3: Screw in the Mic holder onto the cylinder. (Fig. 3)

Step 5: Screw and tighten the Mic into the holder. (Fig. 5)

Step 2: Take the cylinder out and screw it into the base with the flange up. (Fig. 2)

Step 4: Loosen the nob on the Mic holder and rotate it 90 degrees. (Fig. 4)

Step 6: Plug the usb cord into the bottom of your Mic.
