

## Working draft of 4-year curriculum grid

*Course sequencing is under development*

### Master of Nursing, Administrative Leadership Track: Four-Year Completion

All courses are fifty-percent hybrid, meeting only 5x each quarter. In-person courses are 4 hours each. Courses are scheduled between the hours of 8:30am to 4:45pm every other Friday of the quarter with occasional evening seminars or post-class activities from 5:00-6:25 pm. Total credit hours for the degree are 51-55. Of those credits 16-20 them are the Administrative Leadership Courses. The sequencing of the Administrative Leadership courses is under discussion with the graduate faculty. For example, the summer courses may move into one of the academic quarters or remain in the summer. Furthermore, the number of required leadership credits is under development, but projected to be at 20 credit-hours.
