SCHOOL OF STEM GRADUATE PROGRAMS

General Assistantship Funding Application: Division of Computing & Software Systems

When possible, the CSS Division attempts to obtain funding for Research and Teaching Assistantships. Available funding is limited, and subject to budget cycles each year. Submission of this form indicates you would like to be considered for any possible CSS Division RA or TA funding. Submission of this form in no way guarantees funding to students, nor does it impact admission decisions by the CSS Division.

Applicant Information

Full Name: _____
Last First M.I.

Address: _____
Street Address Apartment/Unit#

City State Zip

Phone: _____ Email: _____

Please indicate which position you would like to apply for:

- Research Assistant Teaching Assistant Both

Please see <https://grad.uw.edu/graduate-student-funding/for-students/assistantships/> for a detailed explanation of each role and responsibility.

International applicants and all non-native English speakers who apply for teaching assistantships **must** be able to meet the additional English Language proficiency requirement as set forth by the Graduate School <https://grad.uw.edu/policies-procedures/graduate-school-memoranda/memo-15-conditions-of-appointment-for-tas-who-are-not-native-speakers-of-english/>

As a condition of acceptance of an assistantship offer, it is expected that all Teaching Assistants will be able to attend on-campus mandatory training in early September. During the regular academic year (autumn, winter, spring), students employed in a salaried assistantship position (at any FTE percentage) are required to enroll in a minimum of ten credits each quarter of their appointment. Please email stemgrad@uw.edu if you have questions regarding these requirements.
