

PETITION TO TAKE B EE 400-LEVEL COURSE

The petition procedure for Master of Science in Electrical Engineering (MSEE) students requesting to take 400 level B EE courses is as follows:

STUDENT STEPS

- Request permission from the instructor.
- [Fill out a petition online through Catalyst.](#)
- Petition is considered on a case-by-case basis.
- Petition is approved or denied by MSEE Petition Committee.

ITEMS OF IMPORTANCE

- MSEE students are not able to register for state funded classes until the first day of the quarter.
- Only 10 credits of 400 level coursework will be allowed to count toward the MSEE electives.
- Students will not receive credit for a course equivalent to coursework taken as an undergraduate.
