ARE YOU A GRADUATING, NEW OR EXPERIENCED RN READY TO ADVANCE YOUR EDUCATION AND CAREER? If so, consider the UW Bothell RN to BSN program.

The UW Bothell RN to BSN program builds upon the associate degree in nursing and values the students’ professional experience with coursework that applies directly to the nursing practice for graduating, new and experienced nurses. Students in the program benefit from working with faculty who are actively engaged in academic scholarship and with their local community. Our faculty are committed to addressing the barriers and challenges of providing quality health care to all segments of society.

WHAT MAKES THE PROGRAM UNIQUE:

- Courses meet only one day per week.
- Multiple locations including the Bothell campus, Everett and Seattle at Harborview Medical Center.*
- Admits summer, autumn and winter quarters.
- Full and part-time options available.
- Only 45 upper division credits required to complete the BSN with the other required 45 awarded for completion of the RN-NCLEX.
- Over a 90 percent graduation rate.

* The Seattle site is located at the Harborview Medical Center and open only to RN employees of Harborview, Virginia Mason, UW Medical Center, Northwest Hospital, Valley Medical Center, Bailey Boushay House, and the Seattle Cancer Care Alliance. The Everett site is located at Everett Community College with no employer restrictions.
ADMISSION REQUIREMENTS

- Online application with supporting material; nursing resume, nursing goal statement and three recommendations.

- **INTERMEDIATE ALGEBRA:** Three years in high school (at least at the level of Algebra, Geometry and 2nd year Algebra) or a 5 credit Intermediate Algebra college course.

- **WORLD LANGUAGE:** Two years of the same language in high school or completion of college-level 102. Proficiency testing for this requirement available at UW Seattle: www.washington.edu/oea/ Students whose native language is not English may be exempt from this requirement; see English Proficiency.

- **ENGLISH PROFICIENCY:** All applicants for whom English is not their native language and who completed most of their primary and secondary education outside the United States must meet English Language Proficiency. For details visit www.uw.edu/admissions/engproof.

- **UW GENERAL EDUCATION:** Visual Literary and Performing Arts (VLPA): 15 credits. A minimum of 10 credits for admissions. Use the online equivalency guide to identify which Washington state community college courses transfer and meet the general education requirements: https://admit.washington.edu/EquivalencyGuide.

- Associate degree in nursing or a diploma in nursing from a hospital-based nursing school.

- Current licensure as a registered nurse in the state of Washington. New graduates who have not yet taken the NCLEX may be admitted conditionally.

- A minimum of 90 transferable quarter credits.

- Completion of a criminal background check with acceptable results (effective fall 2016)

**A MINIMUM 2.0 GRADE IN EACH OF THE FOLLOWING NURSING MAJOR PREREQUISITES REQUIRED:**

- English Composition: 5 credits
- Inorganic or General Chemistry with lab: 5 credits
- Microbiology: 3-5 credits
- Anatomy and Physiology with Lab: 10 credits
- Statistics: 4-5 credits: Approved statistics courses: http://nursing.uw.edu/admissions/approved-statistics-courses
