Applying for Financial Aid

The FAFSA or WASFA becomes available starting October 1st:
- UW Title IV code for the FAFSA is 003798 (same for all UW campuses).
- Get your application in on time! UW priority submission date is January 15th.
- **Remember to reapply every year.**
- Check out our website [www.finaid.uw.edu](http://www.finaid.uw.edu) for more information about the application process.

Students who are eligible for federal student aid submit a FAFSA to be considered for federal, state, and institutional aid.
- Apply online at [studentaid.gov](http://studentaid.gov)

Students who are not eligible for federal student aid submit a WASFA to be considered for state and institutional aid.
- Apply online at [https://wsac.wa.gov/wasfa](https://wsac.wa.gov/wasfa)
Aid is disbursed evenly over autumn, winter, and spring quarters, and automatically pays your tuition. Leftover funds paid directly to student for books and other educational expenses.

Priority FAFSA date for Summer/Autumn 2022 is January 15, 2022.
What happens next?

- You may be asked at any time to submit documents or other information to be used in the review of your application and eligibility.

- Respond to any request as soon as possible. The review and disbursement of financial aid may be delayed until all requested documents are submitted and reviewed.

- Award notifications occur spring and summer. Initial award notifications, as well as subsequent award notifications are sent electronically. *Check UW email and MyUW frequently.*

- We may have a delay in reviewing your documents due to heavy workload volumes. We make every attempt to have the documents reviewed and aid ready by the start of autumn quarter.
Your student can log in to the secure MyUW portal and go to Student Personal Services section

- Students can see what documents we have requested, received and the status of that document (reviewed, pending, etc.)
- Students can see their award notice and accept/reject each aid type
- Students can see messages about the status of their promissory notes for loans, review their loan history
- Students can also sign up for direct deposit, sign information release forms, see their class schedules and tuition bill
Revisions to Eligibility/Special Circumstances

• Change in employment status after filing FAFSA.
• Medical expenses not covered by insurance.
• Change in parents’ marital status after filing FAFSA.
• Unusual dependent care expenses.

• These cannot be reported on the FAFSA therefore:
• Parents or student should send an explanation to financial aid office at each college or university.
• College will review special circumstances and may request additional documentation.
