Project Manager
(425) 830-4912

UW Project Delivery Group:
Shannon Thompson
Project Manager
thompsha@uw.edu
(360) 271-9207

This Community Bulletin is intended to serve as an update for upcoming work related to the UWB Student Housing project, as well as a means of notifying our campus community of any significant events that may impact the sidewalks and streets surrounding the project.

Construction Activities (10.10 – 10.14)
In the week of Oct. 10th, the project will get started on dry-in for Bldg. A as we expect our first delivery of windows. This past week building A changed colors from yellow to grey, its new color represents the waterproofing taking place in preparation for windows to go in. Bldg. A is also continuing insulation and cover in the corridors staring on Level 6 and working our way down. For building D, the current focus is to wrap up exterior framing and continue MEPF rough in.

Upcoming Shutdowns
There are no upcoming shutdowns for the week of Oct. 10th.

Progress Photos

If you have any questions about the upcoming work on the UW Bothell campus regarding the new Residential Village Student Housing Redevelopment project, please feel free to contact us and we would be glad to provide any additional information.
