

# PRE-HEALTH ADVISING SYLLABUS

UNIVERSITY OF WASHINGTON BOTHELL

## MISSION

Pre-Health Advising provides coaching for students pursuing careers in healthcare, including those that require graduate programs in medical, dental, pharmacy, veterinary, & other fields.

Pre-Health Advising seeks to help determine alignment with a career in health, to provide learning in how to be a competitive applicant for jobs and graduate schools, & outlining those application processes including preparation for entrance exams where needed.

## LEARNING OUTCOMES

By utilizing Pre-Health Advising resources, you will be able to:

- **EXPLORE** what a career in health might look like for you
- **PREPARE** for the journey toward your chosen field
- **APPLY** with confidence in the skills you established in the Explore and Prepare phases.

## UWB MISSION & VISION

## ASSIGNMENTS/ EXERCISES

---

The following are examples of exercises you might be assigned in Pre-Health Advising.

### Journal

A log of your career journey will be an invaluable resource. Tracking dates, contacts, and reflections will help you log your experiences, build your network, and inspire future cover letters & personal statements.

### Informational Interviews

Reaching out to those in the field you are considering will mine potential mentors and shadowing opportunities. It will also help you determine how their paths might influence your own.

### Graduate School Shortlist

Creating a shortlist of schools you're interested in will prepare you for applications. Consider the programs' mission and vision statements to measure them against your own. Determine alignment as well as feasibility in considering which graduate program you will attend.
