Applying to IAS

How to Declare/Apply:

- To declare/apply for an IAS major, login and complete the [online application](#).

Tips for Completing your Application:

- Only use your UW email to sign into the application.
- Run your degree audit before starting your application so you can reference your audit when completing the application.
- Have a copy of your unofficial UW transcript ready and a personal statement ready (if you don't meet the minimum declaration requirements) to attach to your application.

Priority Application Deadlines:

Autumn: May 1; **Winter:** October 1; **Spring:** February 1

After the priority deadlines, applications will be accepted on a space available basis.

Check <https://www.uwb.edu/admissions/apply/application-dates> for deadline updates.

Minimum declaration requirements:

- At least 45 credits completed
- UW Cumulative GPA: 2.5 minimum UW GPA with at least 2 quarters completed at UW Bothell
- World Language: 2 years (or more) in high school or 10 college credits of a single language
- Intermediate Algebra (min. grade 2.0 if completed through college coursework)
- Prerequisite coursework as listed on page 1

Personal Statement:

Students who do not meet the minimum declaration requirements may apply to IAS majors by submitting a Personal Statement with their Declaration/Application form. Ideally, a personal statement should address:

- The reason(s) why you wish to pursue the major to which you are applying
- Your long-term goals and aspirations
- Any special circumstances you would like the Committee to consider
- (Typed statement, 1-2 pages)

Number of prerequisites that can be in progress at the time of application:

- Classes can be in progress, but application must include a personal statement.
- If the following classes are in progress when you apply, then you will not receive a decision until grades post: Composition course, Calculus, Introductory ESS course, or Gen Chem or Physics course, QSR, World Language

Other Important Information for Applicants:

- Personal statements do matter. Students should address poor grades and major choice.
- Do well in coursework related to major interested and in relevant work.
- Students must take BEARTH 300 in their first quarter in IAS and also must complete a major orientation.
