*(See next page for guidelines)*

In the space below or on a separate sheet of paper, please state the reason why you believe the charges should be canceled. You will also need to provide any required documentation (see guidelines on reverse side). Please type or print clearly or you may attach an additional sheet instead.
Tuition forfeitures are fees that are charged when you make changes to your schedule. You are charged one half of the tuition (50% forfeiture) for courses dropped from the 8th through the 30th calendar day of the quarter during Autumn, Winter, and Spring quarters or from the 8th to the 21st calendar day of Summer quarter. If you drop below full time, you will be charged the tuition rate for the number of credits that you are taking, plus one half of the difference between full time tuition and your new rate. For changes made on the 31st day or later, you will be charged 100% of the tuition amount.
