MEASLES IMMUNITY VERIFICATION

All enrolled matriculated students are required to provide proof of measles (rubeola) immunity. Students will not be allowed to register for any courses until they have satisfied this requirement.

*Students born before January 1, 1957 are considered to be immune to measles and therefore do NOT need to submit proof of immunity.*

**Proof of Immunity** means:
1. Documented proof of two live virus measles (rubeola) vaccinations, both given after January 1, 1968. These must have been given:
   a. without immune globulin or other blood products; **and**
   b. no earlier than 12 months of age; **and**
   c. at least four weeks between doses; **or**

2. Documented positive measles (rubeola) titer (blood test for antibodies against measles); **or**

3. Documented history from your doctor or health care provider of measles.

**Instructions for Completing the Measles Immunity Verification Form**

1. Students must complete the top portion of the form entitled “Part I. Student Information.”

2. The second part of the form offers a choice of how to submit proof of measles immunity. Students may either:
   A. Attach copies of their original immunization records or lab results; **OR**
   B. Attach a statement on letterhead stationery from their health care provider; **OR**
   C. Provide certification by their doctor or health care provider on the bottom of the form.

   *Please do NOT send original records. Always keep the original or a copy for your own personal records.*

3. Submit this form with your documentation (mail, fax, or drop off in person) to:
