

# Graduate Certificate in Software Design & Development (GCSDD) Program Application Form (part 2)

Please fill out and upload this program application form for the Graduate Certificate in Software Design and Development under the section 'Program Application Form'. Please **type** all information on this form, hand written will not be accepted.

---

## PROGRAM FORMAT

---

- Please select which GCSDD program format you are applying to:

residential (on-campus)                       online

either on-campus or online

Applicants who select 'residential' or 'online' will only be considered for admission to that corresponding program format. Applicants who select 'either', who are offered admission, will be assigned to a specific program format at the time of admission.

During the COVID-19 pandemic, the on-campus offering of the GCSDD for 2021-22 is dependent upon the University of Washington Bothell campus holding on-campus courses. If remote learning is required anytime in the 2021-22 academic year, the on-campus cohort will be offered remotely.

## RELEVANT COURSEWORK

---

Please list below the titles of courses you have taken in each category, along with the Academic Year (UG 1, 2, 3 or 4 for Undergraduate, or Graduate), date and grade received.

For all Object-Oriented Programming courses taken outside of Washington State, please attach to the end of this document a copy of your syllabus, and upload to the GCSDD application. The syllabus must include a weekly schedule of course topics, assignments, etc.
