VOICE YOUR FEEDBACK!

FACULTY COURSE EVALUATIONS

Course evaluations are critical! Be:

- Descriptive and Specific
- Solutions-oriented
- Focus on what an instructor can control

WHY THEY’RE WORTH YOUR TIME

- Helps shape the course for future students
- Provides honest feedback in a way that protects your privacy
- Gives you an opportunity to practice skills of reflection and providing constructive, critical feedback
- Helps your instructors continue their improvement as educators

QUALITIES OF HELPFUL & CONSTRUCTIVE FEEDBACK

- Uses respectful, professional language
- Provides insights about course organization, content, and delivery
- Gives specific examples & suggestions for improvement

CONFRONTING BIAS

Comments on an instructor’s appearance, race, gender, or other perceived personal attributes have nothing to do with their teaching skills. More often than not, these comments are harmful, biased, and far from who we strive to be as a community.
