Question	Response
Question: Proposing Group: (i.e. Career Services, Sustainability Club, Campus Events Board, IEE, etc.)	Blockchain Society
Question: Department/ Organization: (i.e. FYPP, Student Affairs, Recreation and Wellness, etc.)	Student Organization
Question: Contact Person: This person will be the sole point of contact for any questions or additional information requests from the SAF Committee regarding your proposal.	Zachary Nelson
Question: Contact Email: This person will be the sole point of contact for any questions or additional information requests from the SAF Committee regarding your proposal. Please include a regularly checked email as the SAF Committee contacts groups primarily through email.	zack1@uw.edu
Question: Contact Phone: Please include the phone number of the contact person. This person will be the sole point of contact for any questions or additional information requests from the SAF Committee regarding your proposal.	2063549520
Question: Budget Owner/ Faculty or Staff Member: This person is a faculty or staff member who will be fiscally responsible for the SAF allocation. Please consult with this person before listing their name. This person must be authorized in UW procurement and fiscal systems and familiar with university purchasing policies and processes. For student clubs, please coordinate with Student Engagement & Activities and Club Council (uwbclubs@uw.edu).	Sandeep Krishnamurthy
Question: Executive Summary of Your Proposal: Please provide a concise overview of the program, activity, or service for which you seek funding. * Remember that the contingency process is for new ideas/ initiatives only from students, all other requests must be made during the Annual Cycle. Typically budgets are available in February. Complex events may take up to 8 weeks to plan, so keep this in mind when proposing a contingency proposal for an event.	We intend to make a strong push this year to educate, collaborate and innovate in the Blockchain industry. We have seen strong interest from students in this technology, which was clearly demonstrated at our inaugural UW Blockchain Expo which sold over 630 tickers to industry professionals, students from around the world, businesses, startups, and academics. This funding would allow us to greatly expand what we are able to supply to students and the effectiveness of our program. We intend to serve a diverse group of students from a variety of majors to enhance their academic and professional futures. Specifically we will host blockchain based hackathons, workshops, speaker series, networking sessions, and mock interviews.
Question: Need for this Program/ Service: In 200 words or less, please do the following: *Describe the need for this program or service. * If possible, include any data that might support your proposal (i.e. surveys indicating a need for your initiative).	The need for this program is clear. Businesses in the area are counting on the University of Washington Bothell to support their workforce needs. We would like to educate and support students in this.
Question: Estimate the number of students that will benefits from your proposed program/ service: In 200 words or less, please do the following: *Indicate what the benefits of your proposed program for students will be *Estimate how many currently enrolled students will likely benefits from your proposed service or program. *Estimate the number of any other individuals (and indicate their affiliation) that might benefit from this service or program.	750 students or more would benefit from this program. They could participate in person, but we will also be sharing content online through social media and video content and to our partner colleges.
Question: Additional Information: If needed, please include any other information you feel is relevant to your request. (There is no character limit on this field).	There is huge interest from many in this area by supporting this we will put UW Bothell for this and open our school up to opportunities that before would have been possible.
