SAF Annual Proposal Form for the 2018-2019 Academic Year

The SAF Committee will be accepting applications for the annual budgeting cycle from November 13, 2017 until 5:00pm on January 11, 2018. The intent of the annual operating budget is to support on-going student activities, services, and programs. Services and Activities Fees are defined in RCW 28B.15.041 to mean “fees, other than tuition fees, charged to all students registering at the ... state universities ... The legislature also recognizes that Services and Activities Fees are paid by students for the express purpose of funding student activities and programs” of their particular institution. These funds will be available for the 2018 to 2019 academic year.

A member of your group must be available to attend a hearing with the SAF Committee tentatively scheduled for Friday, February 2, 2018 and February 9, 2018. Please include a regularly checked email in the application, as that will be the main form of communication between SAF and the requesting group. The SAF Liaison will contact the requesting group to notify them of a hearing time.

Please ensure that your request is in accordance with SAF Bylaws, which are available at the following website: http://www.uwb.edu/studentaffairs/safc/safbylaws. Please note the SAF Committee will be coordinating with Club Council to develop an efficient funding model.

The Committee will hold an open forum and appeals, tentatively scheduled for on Friday, April 13, 2018. Requesting groups will be notified of a preliminary budget before the open forum and appeals date.

Late applications will not be accepted, except at the discretion of the Committee. Adjustments to the final total requested by any club, group, organization, or department will not be accepted. After a request has been submitted, it may not be reopened for alterations or changes.

The submission window will be open on Monday, November 13, 2017.

Questions? Please contact the SAF Committee, at SAFuwb@gmail.com.

The funding requested in this proposal will directly affect the lives of Veteran students at UW Bothell by providing funding required for resources and tools for the newly approved Veterans' space in...
UW1. This aligns directly with the UWB Veteran Life initiative by assisting in accomplishing the three main objectives of this committee:

1. Create centralized services and programming that supports student Veterans and their dependents in the academic activities.
2. Grow and strengthen the Veteran community and identity by cultivating a sense of pride in the sacrifices that student Veterans have made in service to their country.

- If possible, include any data that might support your proposal (i.e. surveys indicating a need for your initiative).
- If you have tracked the success of this program or service in the past, please provide that information here.

This service is required in order to create a centralized location for Veteran students to receive support and to network with other students and Veterans. This will create a sense of identity and pride in the Veteran students on the UW Bothell campus, and make communication with other identities on campus more available while providing a safe place for Veterans.
