2020-2021 SAF Budget Notes and Funding Stipulations

The SAF committee of 2019-2020 applied standardized wages for student employees with only those positions who were in a lead position or requiring specialized skill sets receiving wages higher than the minimum wage. Professional development has been awarded to groups who asked to receive certification. In the past groups have been able to purchase food and refreshments for UW Bothell student functions as outlined by the UW food policy, which includes award receptions, training, activities, or programs. This year, the committee has decided funds may only be spent on food for events. Such funds are intended to support activities and programs open to the general student body. Funds are not intended to support routine meetings associated with student organizations and groups. SAF funds may not be used to purchase or serve alcoholic beverages. Please cross-reference the SAF bylaws and work with Student Affairs to comply regarding all food and refreshment purchases.
