

Budget Stipulations

2008-09 Services and Activities Fee Awards

ACADEMIC SUPPORT

Literary Journal (\$7,000)

During the appeals process, the committee awarded \$7,000 in funding for the Literary Journal (*Clamor*). Prof. Jeanne Heuving, the faculty member in charge of the journal, apologized for overlooking the deadline to apply for funding. Dr. Heuving expressed her passion for the journal and how sorry she was for missing the deadline. She explained that several students benefit by both publishing the journal and getting their work included in the publication. Inclusiveness and excellence are the two hallmarks for publishing. Dr. Diane Gillespie, Associate Director of IAS, informed the committee that her department is prepared to fund up \$1,700 (about 20% of the costs for publishing the journal) as a penalty for late consideration. Dr. Gillespie also mentioned that her office staff will ensure that future deadlines are met. A total of \$8,600 is needed to publish the journal in 2008-09.

Media Center's Power Point Workshops (\$0)

The \$2,400 request appeared to be very similar to last year's submission and lacked the data necessary to judge the merits of the proposal. No funding is recommended. The committee encourages the Media Center to find an alternate source of funding for 2008-09 and beyond.

Policy Journal (\$6,400)

The Journal's request of \$7,000 was reduced by \$600 (\$500 honorarium for an advisor and \$100 for software). The committee noted that the Journal is produced as part of an academic course (but available to the student body as a whole), so no honorarium should be needed for the advisor. The proposed software is available to students as part of the Microsoft package funded by the Student Technology Fee Committee.

CAMPUS ACTIVITIES AND EVENTS

Associated Students of the University of Washington Bothell (\$59,242)

ASUWB's budget request was submitted four-days late; the standard 10% penalty was assessed on the overall total of \$65,824. With the 10% penalty of \$6,582, the total award is \$59,242). The below figures reflect the gross award **prior** to the penalty. ASUWB may decide where and how it wishes to apply the \$6,582 penalty; however, it is the hope of the committee that the Student Academic Enhancement Funds not suffer more than their equitable portion of the penalty. Details of the award follows:

<u>Compensation</u>	
President and V.P. (37 wks x 20 hrs/wk x \$11/hour x 2 positions)	\$16,280

<u>Supply Stations</u>	\$ 500

<u>Student Academic Enhancement Funds (SAEF)</u>	\$15,000
Administered by ASUWB, grants of up to \$1,500 are available to help fund students' educational travel in accordance with the following priorities:	

1. The first priority for funding will be given to those students who have been offered the opportunity to present a research paper or project at a professional conference and who have the endorsement of a UWB faculty member in his or her discipline.
2. The second priority for funding will be given to those students who wish to enhance their current leadership role on campus by attending a skills-building conference or workshop. The student's application must be endorsed by the student life advisor (Jen Droege).
3. The third priority for funding will be given to those students who wish to attend a conference or workshop in order to create or enhance a project or service that will directly benefit UWB students. The student's application must be endorsed by a UWB faculty or staff member intimately familiar with the project.

Association of Computing Machinery (\$2,000)

Full funding was awarded for the group's various events. Due to the size of this award, ACM is ineligible for additional club funding in 2008-09.

Campus Events Board (\$88,590)

A total of \$10,000 was reduced from CEB’s original request of \$98,590: \$5,000 from the proposed CSS Speakers Series and \$5,000 from general events.

<u>Compensation</u>	
37 weeks x 10 hours per week x \$11 per hour x 5 programmers	\$20,350
Benefits (11%)	<u>\$ 2,240</u>
Total	\$22,590
<u>Training and Development</u>	\$ 9,000
Up to \$1,500 per programmer (n=5) to attend the NACA regional conference plus one advisor	
<u>CEB-Sponsored Events</u>	\$50,000
<u>Co-Sponsored Programs</u>	
CSS Speakers Series	\$ 5,000
CUSP Discovery Café	\$ 2,000
Total	\$ 7,000

Delta Epsilon Chi (\$2,500)

The majority of DEC’s request of \$22,090 was sought for travel. Questions arose over how the organization’s travel would benefit the student community as whole. \$2,500 is awarded in accordance with SAF Guidelines on travel. Due to the size of this award, DEC is ineligible for additional club funding in 2008-09.

Intercultural Club (\$8,000)

The original request (\$16,200) was later modified to \$11,700 after the club president met with a member of the Student Life staff. The revised request more closely reflects the actual attendance by currently enrolled UWB students at the intercultural night event. In addition, participation exceeded the safe capacity of the North Creek Events Center. The committee strongly encourages the club to continue working collaboratively with the Campus Events Board to produce its annual intercultural night. CEB is experienced and successful in managing large and complex activities. The committee further directs the Intercultural Club to better organize and justify future requests for funding as well as to seek funding from other sources for underwriting expenses associated with non-UWB student participants. Due to the size of this award, the Intercultural Club is ineligible for additional club funding in 2008-09.

MAPS Alumni and Student Committee (\$0)

The request of \$1,750 is not recommended for funding. It appears that funding is sought for orientation/welcome and graduation events in addition to support for alumni participation. The committee no longer funds graduation events. Student Life and CEB plan quarterly welcomes for students. Alumni cannot be supported with student fees. The committee further directs the MAPS Alumni and Student Committee to better organize

and justify future requests for funding. As a registered student organization, the group is eligible for up to \$750 in club funding during the 2008-09 year.

MBA Association (\$1,750)

\$5,600 was originally requested for the organization's parties and subsequently denied funding by the committee. During the appeals process, the association revised its original request and asked for \$1,750 in funding to support networking and mentoring activities. The committee awarded full funding based on the revised proposal. Due to the size of this award, the MBA Association is ineligible for additional club funding in 2008-09.

Student Entrepreneur's Network (\$2,500)

A total of \$4,220 was sought to sponsor an off-campus retreat, two socials, a dinner, and office supplies. The committee is recommending funding for the retreat in the amount of \$2,500 based on SAF guidelines regarding travel; however, it is unable to fund organization-specific parties and socials in the amount requested. Due to the size of this award, the Student Entrepreneur's Network is ineligible for additional club funding in 2008-09.

Teacher Certification Professional Development and Mentoring (\$3,500)

The committee recommends funding at roughly 50% of the requested \$6,325, which is consistent with the stipulations for the current year's award. The committee believes that the university should assume some financial responsibility for the events as they are in direct support of the curriculum.

Honoraria	\$1,100
Meals and lodging for speakers	\$ 700
Facilities set ups	\$ 300
Food/decorations	\$1,400

CHILDCARE

Childcare Assistance Program (\$25,000)

The recommended funding for Childcare Vouchers is at the same level as in 2007-08. The committee understands that more students desire assistance than what funds permit. (\$40,000 was requested.) When applying for future awards, the committee requests written details on how the grants are to be administered

STUDENT LIFE PROGRAMS

Recreation and Wellness Program (\$77,050)

Funding for the Recreation and Wellness Program was recommended as submitted with two exceptions: (1) The committee is unable to afford a .50 FTE health educator position at this time, valued at \$39,600 with benefits; and (2) As per its Guidelines, the committee is unable to fund the screening and set-up charges associated with sports jerseys for recreation leagues. During the appeals process, the committee agreed to increase the recommended funding of the Program Coordinator from .50 to .70 FTE in consideration of the additional responsibilities associated with managing the new Fitness Center. At the request of the Director of Student Life, the committee increased the original Recreation budget by \$6,250 and reduced the Student Life Operations budget by the same amount.
