

Student Technology Fee Request for Funding

Project Title – Headphones for Open Computer Lab

Brief Project Overview

Many students want to use headphones while sitting in the open computer lab in UW1-102 to listen to audio while working on a computer. The proposal is to have 10 headphones available at the lab checkout desk so that students can be given headphones to listen to their audio.

Full description of the project that includes the following sections:

A. The goal of the program or project

The goal of this project is to allow students to listen to audio while they work on the computers in the UW1-102 open computer lab.

B. A description of the program and how it will benefit the student body

The campus Information Systems Department will checkout headphones in the UW1-102 open computer lab to students who do not have headphones so they can listen to audio. Also, for the students who forget their personal headphones then headphones can be checked out at no cost.

Headphone must be worn by students if they want to listen to audio while working in the UW1-102 computer lab so as not to disturb other students in the lab.

C. Specific information about the equipment and/or services being requested

Item Requested: 10 - Koss SB45 Multi-Media Stereo Headphones

D. How the project will be implemented and by whom

This project will be implemented by the campus Information Systems Department at no cost to the Student Fee Budget to manage the checking out of the headphones.
